

Summer Months Bring Surge Of Construction In Antioch

Construction of new business and additions to already existing ones is going on in various sections of Antioch. In the meantime, as our pictures this week illustrate, stores remain untenanted in the business section.

The long-awaited shopping plaza west of the village parking lot on Broadway and Orchard street is finally getting underway. The ground is being leveled, and construction on a new home for the A&P Store will start soon on the southeast section of the plaza, next to the parking lot.

Plaza stores will probably be erected in three phases, with the A&P Store and three or four other shops making up the first building phase. The new A&P Store will be ready for occupancy about October 1.

On Route 173 just west of Antioch, the Osmond Bros. hope to have the Tim O'Shanter Miniature Golf course open by mid-July. First plans to have it ready for use by the 4th of July week-end were quashed by heavy rains that came at a crucial time in the construction, washing out forms and making it necessary to reconstruct them.

The old house on the corner of the property at Lake and Spafford has been removed, making way for the new building that will house the State Bank of Antioch. Date for construction of the new facilities has not been set.

In Industrial Acres, the Quaker Industries addition is well on its way to completion. The addition is about 52,000 square feet and will house the equipment and machinery for production of school furniture, a new line added by Quaker Industries when they purchased Arlington Seating Co. last year. The new line is expected to take up the employment slack in the slow season for their former line.

Across the road from Quaker, Victory Carbide is building a 4,800 square foot addition. In addition to the new construction, Victory intends

Legion, Jaycees, Lions, Plan Summer Festival For July 4th Week-End

Water fights with ten fire departments participating, the crowning of the Jaycees Queen of the Lake Region and a chicken barbecue conducted by the Lions Club will climax the six day carnival sponsored by American Legion Post No. 748, and the Legion Auxiliary, from June 30 to July 5.

The carnival, complete with rides and the usual attractions, will run every night from Tuesday, June 30, through Saturday, July 4, and Sunday afternoon, July 5.

The A-1 Amusement Co. will move their equipment into the village parking lot next Monday, June 29, and be set up and ready for business Tuesday evening.

The Legion committee in charge of the carnival are John L. Horan, chairman; Donald Gaston, Dr. George

W. Jensen, William F. Chase and Commander George Ott.

Finalists in the Jaycees Beauty Contest will be presented Saturday night, July 4, and the Judges will choose the Queen of the Lake Region at 7 p.m. at the village parking lot.

Contestants in the contest, the judges and the sponsors will have dinner at Joe & Helen's Sunday night, June

28. The dinner will give the judges a chance to judge the girls on personality.

Judges for the contest are Mayor Murrill Cunningham, Edgar Simonsen, Ernie Westlund, Sheriff Charles Larson and Agnes Van Patton. The Judges will select five finalists from the group Friday night, July 3, at Antioch Community High School. Friday night the girls will model formal and swim suits, and perform their talent act. Judging is on the basis of beauty, talent and personality.

Lindblad Appointed To Fill Vacancy On Board

Milburn Cain, a member of the Antioch Community High School Board for the past eleven years, resigned at last Wednesday night's board meeting. Mr. Cain is moving to Beaver Dam, Wis.

Robert Lindblad was appointed to the board to fill the vacancy created by Mr. Cain's resignation. He will serve until the regular school election in April of 1965.

A new athletic building is in process of construction on the athletic field east of the school. The building is 100 feet x 32 feet in size, and will house toilet facilities for spectators at athletic events, storage rooms and rooms for teams participating in athletic events. Superintendent A. L. Dittman says construction should be finished about the 1st of August. The cost of the building is \$150,000. Mr. Cain, Boyd Osmond and Dr. Richard Ripley.

Duane Foster, teacher of Driver Education and Safety Education, has resigned to teach at LaGrange High School. The school board employed Andrew Hauptman to take his place. Mr. Hauptman taught for two years at Galva H. S., and spent last year at the U. of I., where he received his Master's degree. He will also coach sophomore football and freshman-sophomore wrestling.

The school received reimbursement of \$1505 from the State on the basis of the number of Guidance personnel employed. The Board sanctioned the participation again of the school in Title 3 of the National Defense Education act, which allows the school to receive a percentage of the money spent in the fields of Foreign Language, Mathematics, and Science from the Federal government in reimbursement.

The H. S. board approved external maintenance repairs to the roof of the school. A program of repairing one-third of the roof each year has been developed.

The board approved the purchase of lockers for the athletic area at a cost of \$1,600.

Superintendent Dittman reported that 218 students

NOTICE
Antioch Police Chief Walter Scott warns that police will issue tickets to any village residents who do not have vehicle stickers on their cars by July 1.

He also reminds residents that dog licenses were due on April 30. Dogs that are loose on the village streets will be impounded.

Rescue Squad Enjoys Lull

The Antioch Rescue Squad has been enjoying a comparatively lull in calls since their anniversary celebration on June 13.

On June 11, the Squad took Lottie Craft, 65, to the hospital after he suffered an apparent stroke.

On June 18, Mrs. Jorgensen, Hazelwood Drive, Antioch, was taken to Victory Memorial Hospital after being treated by Dr. Abderhalden after taking an overdose of medicine.

On June 21, at 8 p.m., the squad took John Shell, with lacerations of the head and face, and Carol Jensen, 20 of 42 N. Woodstock, Huntley, Ill., to the Antioch Clinic after an auto accident on Route 173.

Lillian Allen, 48, of Rt. 1, Lake Zurich, was treated by Dr. Kopriva and taken to Victory Memorial Hospital by the Squad after she suffered a broken collarbone and possible broken left arm in an accident at Bob's Boat House at Channel Lake, on June 20.

Sonya Eliechek, 335 Depot St., is sponsored by the Antioch IGA Store. She's 16 years old, 5'6" tall, and weighs 125 pounds. She's a senior at Antioch High School and her hobby is hair styling. For her pageant talent she will dance.

Randi Jacobsen, Rt. 1, Box 310, is sponsored by Ace Hardware. She's 17 years old, 5'5" tall, and weighs 125 pounds. She's a graduate of Antioch High School. Her hobbies are swimming, knitting, piano, and skiing. She will perform a piano solo for her talent act.

The Legion Carnival will be highlighted Sunday afternoon by water fights and a chicken barbecue.

The water fights will start at 1 p.m. on Broadway Sunday, July 5. Ten fire companies from Lake and Kenosha Counties will compete for first and second place trophies donated by the Antioch Legion Post.

The Lions Club will start serving their barbecued chicken dinners at noon Sunday. Serving will continue until all are served.

Something Does Happen In This Town

Says Annie Mae

As the houselights dimmed and the organ overture began we settled our backsides for the usual two hours of amateur play-acting! Two spellbound hours later we found ourselves humming a new hit tune, and sorry to hear the eleven talented actors sing the finale to a delightful musical called "Nothing Ever Happens In This Town."

The nimble fingers and quick wit of musician Mac Ryan reign over a make-believe town (curiously named MacTown) that comes alive before your eyes under the very capable direction of Agnes Van Patton.

The pulse of every male in the audience quickened noticeably when Jacques Casella as Aunt Julia belted out "A Lady is a Lady" in the truest torchy fashion. Young Steve Smouse is the perfect "imp" of a little brother, but we were a little disappointed when he didn't play a tune on his horn. Grace Amendola as Jenny, the youthful mother of the Garland brood, sports the snazziest wardrobe this side of the Great White Way. Vicki Albrecht portrays the emotions of stage-struck Tracey so realistically there is hardly a dry eye during her rendition of "To Be Me." Tiny Betty Frank as teenage Kerry has the stage presence of a master! Betty Beveroth packs a mean mud-pack, and handles a song like a pro. Bob Lindblad reminded us of a "hammy" Jack Lemmon, in the best comedy spot in the entire show.

Now that we have taken you on a very brief trip thru MacTown, U. S. A., we urge you to rush to the ticket office and get your seat for the best two hour musical you have seen in a long time.

Sergeant To Study Lie Detector Use

Sheriff Charles E. Larson has announced that Sergeant Dan McCormick will attend a Seminar dealing with the use of the polygraph, or "lie detector," in Chicago from June 29 through July 3. The annual Seminar is sponsored by the Keeler Polygraph Institute Alumni Association, of which Larson and McCormick are members.

The Seminar will center around methods and knowledge necessary to meet highly specialized requirements of personnel interested in the detection of deception. Strong emphasis will be placed on exceptional or abnormal persons.

Larson and McCormick are licensed professional polygraph examiners. Sergeant McCormick is a member of the Investigative Division of the Sheriff's office.

Chamber Meeting Next Tues. Night

The Board of Directors of the Antioch Chamber of Commerce will meet at 8 p.m. next Tuesday night at the Antioch Savings & Loan building.

A meeting of the general membership of the Chamber will be held at 8 p.m. on Monday, July 6, at the Antioch Savings & Loan community room.

Huge Parade On Shrine Day

Local organizations and individuals are already at work on plans for Antioch's big Shrine Day on August 22.

The famous Shrine marching units, including the Black Horse Troop and the Motorcycle group, will take part in a giant parade that is at present expected to last about two hours.

Eight hundred Shriners, in all, will take part in the parade. Local bands and other units will swell the ranks. With eight hundred Shriners, plus their families, plus the visitors who will flock to Antioch to see the famous units, local authorities anticipate a crowd of at least 10,000 people on Shrine Day. Plans are being made for parking, traffic control, provisions for food, etc.

Frederick Walpole has been chosen chairman of Shrine Day in Antioch; Roy Frasier, secretary; William E. Brook, treasurer; Howard Shepard, Public Relations; Thomas Haviland and Maynard Schneider, Commissary for food, and John L. Horan in charge of the Antioch parade section.

All civic groups and clubs have been invited to participate in Shrine Day. So far, the Antioch Lions Club, the Jaycees, the Jayettes, and the Moose are planning special events for the day.

Tentative plans are that the Shrine parade will start at about 2 p.m. With the end of the parade, there will be a break for the dinner hour. At various times, units of the Shrine parade will be performing at spots around the village.

An evening program is being planned, probably to be held on the athletic field at the high school.

Fire Dept. Dance Sat.

The Antioch Volunteer Fire Department will hold its 51st Annual Dance at the firehouse in Antioch this Saturday, June 27.

King Jaros will provide the music for dancing and refreshments will be available. The north end of Broadway will be blocked off and tables and chairs provided in the street so that dancers may rest their feet, and non-dancers may sit and visit.

Fire Chief Edgar Simonsen says ticket sales have been good for the dance. The fire department uses money raised at this annual event to purchase equipment.

Dancing will start at 8:30 p.m.

Good Students In Summer School Too

Summer school, says Warren Polley, assistant superintendent at Antioch High School, used to be considered an extra course of study for flunking students to make up studies at which they had failed. Not so, any more, he points out.

103 of the boys and 66 girls taking summer courses at the High school are taking subjects for the first time, either to broaden their knowledge or to provide background for further study. 57 of the boys and 28 girls are taking courses for which they will receive no high school credits.

Only 35 of the summer students—29 boys and six girls—are repeating subjects for credit.

Four of the summer students are adults, all taking Driver Education.

Driver Education is a popular summer subject—55 students are taking it. The two cars the school has operating are on the road 13 hours a day. A second course will start in August, for which 12 students are now signed up.

Heart Fund To Report Donations

Contributions made during the past year by over a million Chicagoans residents to the Heart Fund will be announced Tuesday, June 30 at a luncheon to honor the volunteers who made it possible.

The luncheon will be held at 12:15 p.m. in the Mayfair Room of the Sheraton-Blackstone Hotel. Expected to attend are 200 top volunteer leaders from Chicago, Lake, DuPage and Cook Counties.

Irving Richardson, general campaign chairman, will give the final overall report. Division chairman will report business, women's and residential solicitation totals.

Richardson, General Partner, Alexander Grand and Company, will also present awards to volunteers who have provided outstanding leadership in the 1964 campaign.

Register Children Now In Antioch

Residents who are new in the district and the parents of kindergarten children are urged to register their children now at the Antioch Grade School office, Monday through Friday, from 9 a.m. to 3:30 p.m.

Birth certificates must be presented for the registration of all kindergarten and first grade students. New residents must present transfer cards for all students in grades second through eighth.

BULLDOZERS are leveling the ground for the new Shopping Plaza on Orchard Street.

Zion Goes Modern

The battle of Main Street is being fought in practically every town and city across the U.S.—a fight to find a way to bring retail business back to the traditional center of the town's business activity.

It has seemed a little like swimming against a strong tide. The tide of shoppers keeps right on surging out to the new shopping plazas springing up near every population center.

Most towns are pretty well convinced by now that there isn't a simple, one-answer solution to the problem. An occasional "bargain" sale, a few more spaces for parking, simply won't turn the tide. And sometimes, we wonder why towns and cities fight so hard to try to change the trend. Main Street, in the modern world, would seem the logical place for business offices, municipal offices, for any business that doesn't depend on a large stream of traffic, a bevy of window-shopping prospective customers.

However, if the tide must be fought, it's going to take more than half-way measures to win. Maybe Zion has found one answer. Their plan for rejuvenating the downtown district certainly sounds revolutionary enough—and very, very attractive.

One of their major aims, and one that is certainly going to be attractive to women (and shoppers are mainly feminine) is the installing of canopies over sidewalks. Rain or shine, sleet or snow, Zion's shoppers, when the job is finally completed, won't have to worry about their new hats or hairdos, or broiling in the summer sun.

Zion, in its major re-constructive plan, is even going to re-route streets, and create malls and provide near-by parking. They are, in short, going to make downtown Zion look as much like a shopping plaza as possible.

If you can't fight 'em, join 'em. Whether businessmen like it or not, the lady shopper likes plazas, with wide-open parking space (and no parallel parking), with new modern buildings, no high curbs to navigate when she's walking; and stores carrying every type of merchandise spread out before her in a tempting array. So if you want her to visit your store and your street in large numbers, you'd best give in and remodel it to suit her.

Guest Editorial

WHY BUY A POPPY?

The local Veterans of Foreign Wars, Sequoit Post 4551 and its auxiliary, will be on the streets this Saturday asking citizens to buy and wear a "Buddy Poppy". We hope they meet with a generous response.

There is a growing school of thought that the government does everything necessary for the welfare and comfort of disabled veterans and their dependents by providing hospitals and medical services for thousands of them each year. In a large measure, this may be true. Certainly no finer care can be provided than that furnished by our Veterans Administration Hospitals.

But there is more to the problem than mere creature comforts for those who by reason of service to the nation have need of hospitalization. A hospital can be a cold place indeed without a frequent handshake, a cherry hello, and the small gift, provided largely by dedicated members of veterans groups who regularly visit these hospitals. It is in this field that the familiar Buddy Poppy accomplishes so much.

In addition a per cent from the sale of each poppy goes to help maintain the VFW National Home for Widows and Orphans at Eaton Rapids, Mich. This, too is a worthwhile project and another reason why all can get a lot of satisfaction from wearing a poppy Saturday.

Courthouse Notebook

BY LOU DURKIN

Decisions handed down by the U. S. and Illinois Supreme Courts the past week and some still to come have state and county officials in a tizzy. Of immediate interest is the state tribunal's decision that there is no justification for barring citizen suits

Letters to the Editor

Box 40, Trevor, Wis.
June 20, 1964

Antioch News
Antioch, Ill.
Dear Editor:

I hope that you will find room in your paper to print this letter. I am in no way connected with the PM&L theater, but I feel that some one should praise the wonderful work they are doing. I am sure if people realized how good these shows are they would have a full house at every performance and that they would have to have reservations for all performances. I am accustomed to going to theaters where they have only well known stars of Movies or Television but I can truthfully say that these players can match any of them. Their acting is just marvelous.

The play "Nothing Ever Happens in This Town" is just wonderful. Mac Ryan deserves a big hand for writing such a good story that is good for the whole family. I hope he writes more like it. I hope that everyone in Antioch and the outlying districts realize how lucky they are to have something like this so close and they keep it going by attending these plays and give the players encouragement.

Let's all show them we appreciate their efforts.

Where can we get so much for just \$2.00. DON'T MISS THIS PLAY.

If there is any charge for printing this letter please let me know as I would do anything I can to keep them going.

Your subscriber,
Mrs. Cecilia Rodney

LETTERS TO THE Editor
Dear Editor:

Now that some have had their say about the few rotten Apples that are always found in the bushel we would like to thank the good Apples. Those young, happy, carefree ladies and gentlemen that make up 95 per cent of the bushel. These young people come up to the dances at the

against the proposed new courthouse.

This is one of those mixed emotion decisions since we would like to see the Lake County Building Commission proceed with the construction of the new building, but at the same time we find the remedy sought by the Lake County Bar association too extreme.

The Supreme Court has suggested a less stringent remedy, but unfortunately a plea for an injunction will open the way to further litigation so there will be more delays and more expense.

One can't help wondering if the opponents to the courthouse will fight so strenuously against the construction of an auxiliary county building in the center of the county.

If the auxiliary is to be accepted perhaps the county board can use the present courthouse plans for the auxiliary and later build a small "main courthouse" in Waukegan with just enough facilities to meet legal requirements for the county seat.

It would seem that the opponents to the new county building have made their point and should be ready now to accept the plans worked out for the construction of the much-needed facility.

To save face perhaps the commission should make an arrangement with Robert Bowman or representatives of the Association of Collective Taxpayers whereby they would have a seat on the commission when the contracts are let to insure that the best possible deal is made for the county.

There is a good chance that more will come on the U. S. Supreme Court's ruling on reapportionment.

Don't be surprised if the Court orders the State Senate to run at-large in the November election and as an added fillip declare the recent legislative convention invalid.

This would mean that all 177 state representatives would have to run in a special primary before the general election and the primary winners would have to run at-large also.

Another possibility is a declaration by the Supreme

Roller Rink for a good time and they have it. We at the Roller Rink would like to thank these young people for letting us share an evening with them. They are wonderful people and we are proud of them. We are looking forward to a long and continuous friendship with these respectable young citizens.

Yours truly,
James A. Forrier

Editor's note: The following letter refers to the drowning some weeks ago, of a young man in the Fox River. Father's Day, June 21, 1964

Dear Mr. Editor:
Perhaps this letter about the drowning of the Burnham boy should have been written by me before now. I delayed because only now are our boys' nightmares beginning to ease up. You see our oldest boy (16) is the one who went in clothes and all to try to save the Burnham boy. He cannot swim and went under himself in the process.

We hope and pray time will heal the scars of his experience.

I would like to clear up the reason for some of the blame being put on the onlookers.

There was another party of teenage swimmers in the water before this boy drowned, who did a lot of hollering and fussing. I don't believe the people realized this boy was in trouble after all the confusion. Incidentally those kids cleared out within 15 minutes after that boy drowned.

Now, let's put some of the blame where it belongs, too. Did these boys have their parents' permission to swim in the river? I doubt it. The water temperature and the air temperature certainly weren't meant for swimming on this day. Neither is the location. We have camped up there for 6 years now and have never swam in the river. It is strictly meant for fishing and boating. There are many fine supervised lake beaches in the area which are meant for swimming. Also the opening day for the swimming season is usually a week or two after this Sunday, when the tragedy occurred.

Sincerely,
Louis E. Mau

Court that the at-large provision of the state constitution is illegal and that the legislators must be elected from districts established by population.

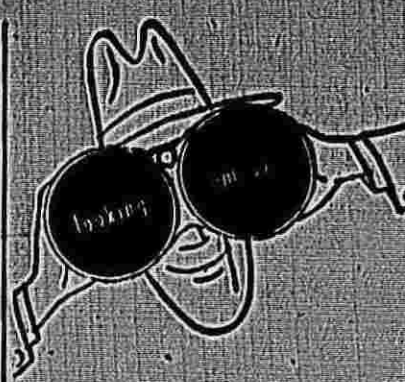

To implement this ruling the court would have to impose its own redistricting map on Illinois and the legislators would run from these districts.

Now pending in Federal Court is a suit brought by former Chicago newsman Leland Chesley which calls for such a ruling. However, Chesley died suddenly over the weekend so the future of this particular suit is in doubt.

State Rep. W. J. Murphy, of course, is watching these developments closely since his political situation could change abruptly if the Supreme Court comes through with the ruling.

A special session of the legislature would probably have to be called to set up new election rules and appropriate money to pay for the added election costs.

A special session would offer some interesting possibilities since Rep. Murphy and other legislators purged

"Terrific" was the word we heard used most often to describe the music in Mac Ryan's musical, "Nothing Ever Happens in This Town" from those who have seen the play. The title tune, "Nothing Ever Happens in This Town," is so catchy I found myself humming it at odd times during the next day. Having heard the same complaint from teenagers from Chicago to Trevor, this seems like a song that ought to catch on with them.

My personal choices for most enjoyable moments of the show: Jacques Casella belting out "A Lady Is a Lady All the Time"; Bob Lindblad's dance-and-song rendition of "My Left From My Right"; and Vicki Albrecht's rendition of a lovely little ballad, "To Be Me." It sounded and looked like the cry of youth. The audience paid this one the supreme tribute of a moment of complete silence before they applauded.

Recommended summer reading: If you haven't already, read "Travels With Charley" by Steinbeck, a warm, delightful book that will make you long to hit the road and meet and talk to your fellow-Americans.

Or "Huray for Me." If you've ever been a child, and this covers most of the populace, you'll feel some nostalgic twinges when you read this one.

No matter where you were raised, or how different your life from that of the little Jewish boy in the book, there will be times when you read when for a moment you'll be the child you were—just walking, to whatever the sounds of an early summer morning were at your home; or feeling the sudden, terrible fear of the unknown, the dreadful things that the grown-ups around you speak of in hushed tones and don't tell you about.

I don't know how it is in your area, but the Woodcrest Channel is a solid scum of green algae from shore to shore. This year the repulsive coating is much earlier and more general than ever before. Let's hope somebody finds a solution soon.

during the recent convention would be sitting in the House as "lame duck" legislators with a fine chance of exacting some measure of revenge from their fellow-legislators.

The June Grand Jury's alleged investigation of the tally tampering in the Coroner's contest in the Republican primary was something less than fruitful and did nothing to clear up the mystery.

It's inconceivable to this corner that the Republican Central Committee should be so unconcerned about the matter.

Central Committee Chairman Robert Milton may hope that the whole matter will be forgotten by November, but this seems a little naive since the Democrats will certainly make it a telling issue in the campaign.

Ring Bells For Freedom On 4th Of July

STATE OF ILLINOIS
Executive Department
PROCLAMATION

WHEREAS, The ringing out of bells across our nation will once again give impetus to an Independence Day observance and special ceremony at Philadelphia in Independence Hall on July 4, 1964, and

WHEREAS, It has been requested that all church bells, all bells in government buildings and all carillon bells in colleges and universities throughout our land ring out for four minutes to signify our dedication to the principles of liberty and independence, and

WHEREAS, It is altogether fitting and proper that Illinois should participate in this patriotic observance,

NOW, THEREFORE, I, Otto Kerner, Governor of the State of Illinois, do hereby proclaim that July 4, 1964, be an even more special day than has been our custom, and that church, civic and veterans organizations, and radio and television stations, sound the bells of liberty as ringing pledge of allegiance to home and country.

OTTO KERNER

Governor
William H. Chamberlain
Secretary of State

"New shoes hurt the most when a father has to buy them for five kids at the same time."

SPEAKING TO YOU

By John Burlend

Director of Social Studies,
Rockford East High School

Now that Barry Goldwater has the Republican nomination pretty well sewed up, it is appropriate that we take a look to see what his election would mean. Few people believe that he will be elected, but few people believed that Harry Truman would be elected in 1948. After all he will run as the candidate of a major political party; he will not suffer from lack of funds; and he has a devoted, in fact a fanatical, following. To write him off in June is the height of folly.

The Goldwater strategy for the next few months will be centered on proving that he is a responsible individual and not an extremist. Would a Goldwater administration be vastly different from another Eisenhower administration? It will be argued with apt quotations from Barry himself that he really is not far from the middle of the road.

The tip off, I think, comes from two things: the slogan that identifies him and the people who support him. The slogan reads, as you will remember, "a choice instead of an echo." That slogan is directed at Republicans; the inference is that only Goldwater gives the people a choice; that all other Republican candidates are imitation Democrats. In fact, Barry once characterized the Eisenhower administration as a dime store edition of the New Deal.

As a starting point, what effect would he have on our foreign policy? Pretty much of a complete turn around. It is not that he would break diplomatic relations with Russia (continued on page 6)

Along The Way

with ANNIE MAE

We have received a most unusual SOS message this week. I am sure that you have heard via some form of communication, a very serious coin shortage exists. Financial institutions are convinced that it is not the serious coin collector (numismatist) who is hoarding out national stock of coins. Rather, they feel you and I are the guilty ones, and are stuffing coin after coin into our piggy banks every day for next year's vacation or a long dreamed of mink! So let's all be good readers now and march up to your favorite bank and trade all your coins for crisp new dollar bills! Who knows we may be short of paper some day soon.

THE LATEST REPORT:

We were bulging (not you—the town) with visiting residents this week. First Mr. and Mrs. C. L. Heath are vacationing here with son Marvin and family. . . . visiting old friends at the "River," were Clarence and June Dressel. . . . Californians Evelyn and Dee Dietrich and daughter Sue are house guests of the "Cookie" Olsons. . . . Boyd Osmond is really up to "par" now, the Doc's have given him the green light on golf. . . . Shirley Stanich underwent surgery at Victory Memorial hospital this week, and that's all we know.

NOTES TO YOU: We don't know if Herb Horton is planning a safari or not, but why else would he name his boat "The African Queen"? . . . who knows, we may start a new fad, Big John and I, this week the Antioch Lumber mag. came out with plans on how to build your own Gazebos. . . . may I extend a fond farewell to Bill and Catherine Cain—who are duty bound for Wisconsin.

THE LAST DROP: Front row center is the description

THE ANTIOCH NEWS 2

THURSDAY, JUNE 25, 1964

for the position Bob Wilton, Jr. had last Friday night, while viewing the colored T.V. in his shop window from a sidewalk spot. . . . Fifty-six alumni attended the Class of '44 reunion at Lorenz's Saturday night, and Chuck Moran won a prize too! We wouldn't want to embarrass him by saying what for, but the prize was a comb and a bottle of hair tonic. . . . I'm sure the runner-up must have been Leonard Rohlin. . . . found out I still have trouble telling those Quilly boys, Tom and Harry apart, even after twenty years!

DID YOU HEAR? Better, an empty house than a bad tenant!

Annie Mae

Two Types Of Dealers

I recently heard a dealer acquaintance who had moved from a very large city to a medium size place explain the difference between the two.

He summed it up by saying that in his large city dealership he rarely knew his customers personally and almost never met them socially. But since moving to a smaller center the opposite was now true—he seldom DOESN'T know the people who are buying from him. Quite a few on a first name basis and many as personal friends.

He admitted that he now felt compelled to be scrupulously honest with his customers for the obvious reason that if he ran his business any other way, word would soon get around and his business would suffer.

This basic truth about the car business accounts for the fact that a "wheel and deal" dealer, to use the trade slang, can't operate successfully in a small town or city. He must pull buyers from miles around, usually on a basis of misleading price ads or similar gimmick claims.

It logically follows that since he doesn't expect to see his customers again (the distance involved quickly discourages driving back for service or complaints) this type of dealer considers his out-of-town buyers fair game for every type of corner cutting that will squeeze an extra dollar of profit out of the sale.

If you deal out of your own town or city with this type of operator on the understandable desire to "save" a few dollars, you are likely to regret it, as thousands of buyers who have will testify.

Construction...

(Continued from page 1)

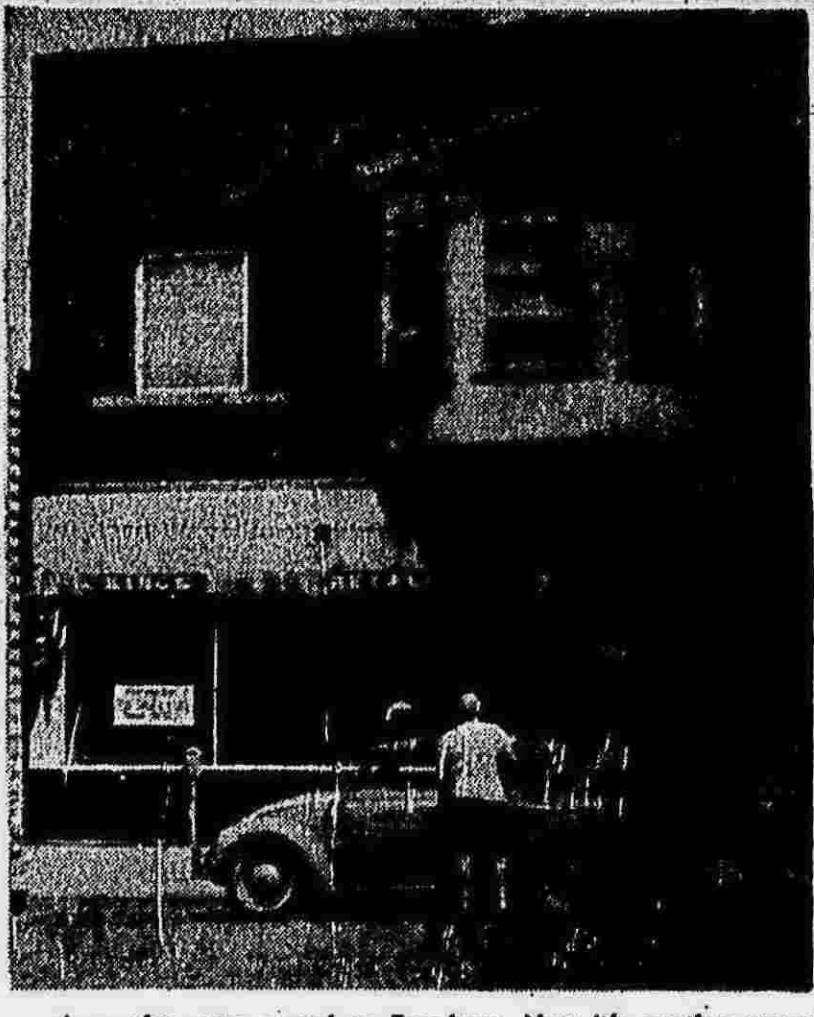

The shopping plaza at Route 59 and Grass Lake Road was stalled for about a year by zoning difficulties. Business zoning for 20 acres has now been secured, but no date set for the start of construction.

In the meantime, with new businesses, and additions to old ones, going forward in Antioch's outskirts and adjacent to the village, the downtown business section remains in trouble. Vacated stores remain vacant, with open space for parking the seemingly insurmountable difficulty.

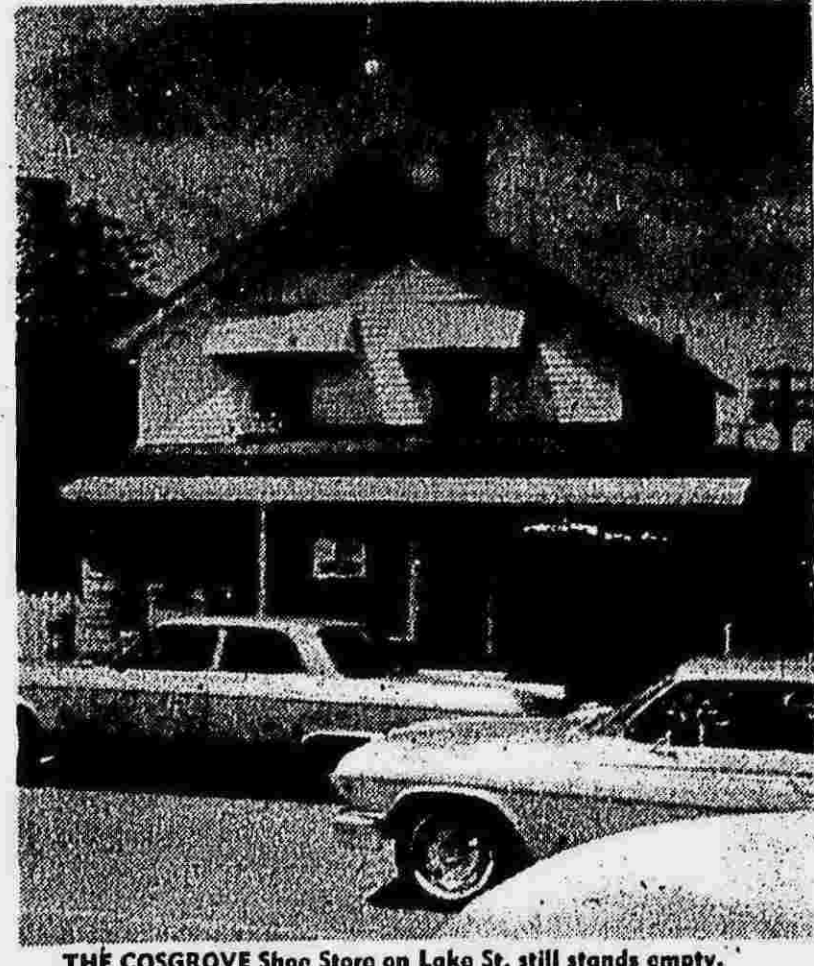

The new building at Victory will be used exclusively for the manufacture of car-bide tipped saws, groovers, and dado heads used primarily in the wood products industries.

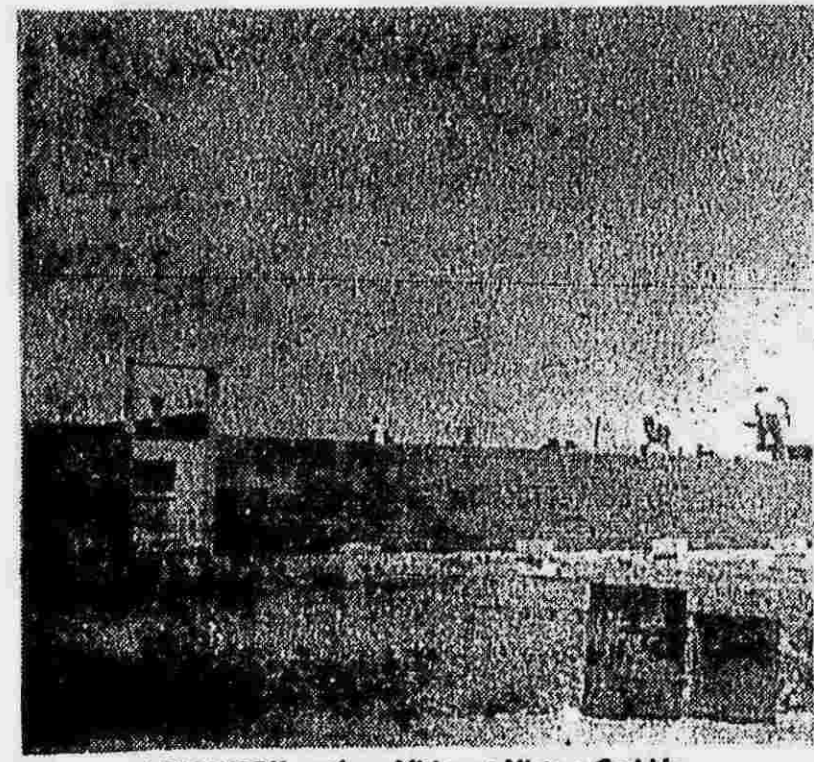

FORMER home of Kings Drug Store now stands empty on Main St.

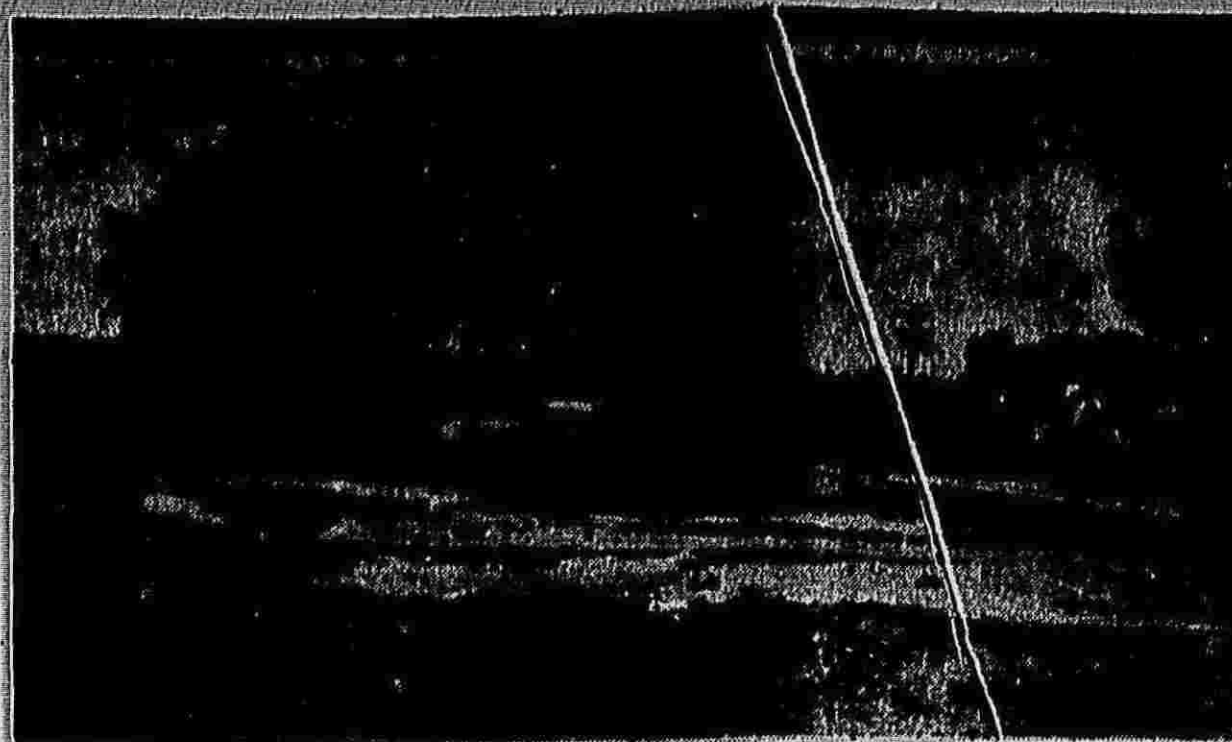

An outlet store moved to Broadway. Now it's another vacant store on Main St.

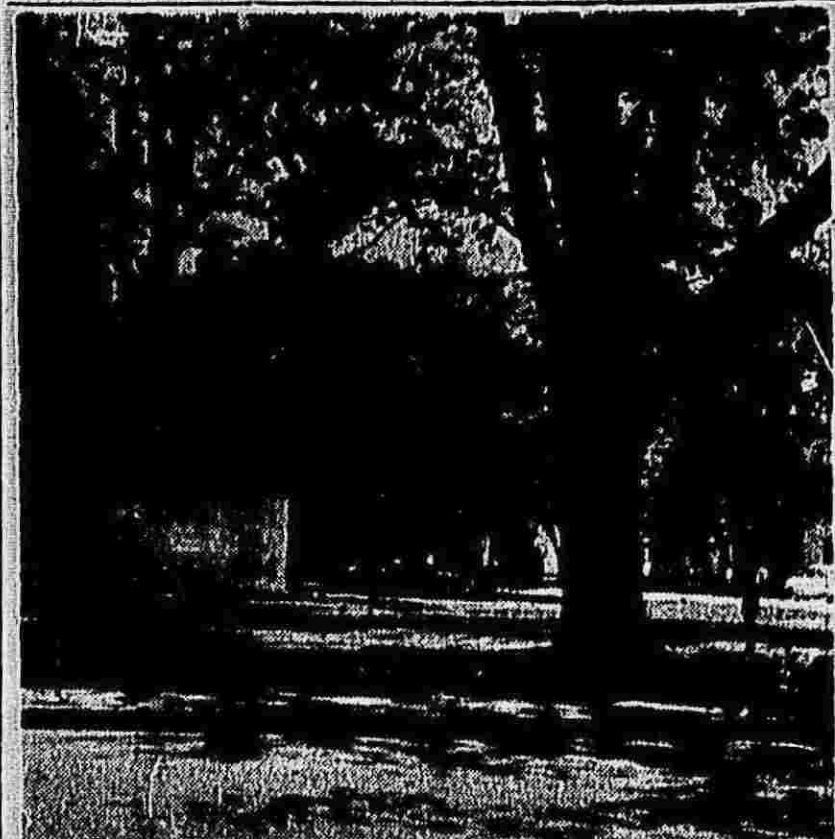

THE COSGROVE Shoe Store on Lake St. still stands empty.

MEN WORK on the addition at Victory Carbide.

IT MAY NOT look like much now, but this is the site of the Tim O'Shanter Miniature Golf Course on Route 173 just west of 59. The owners expect to complete it sometime in July.

THE FUTURE HOME of the State Bank of Antioch at the corner of Lake and Spafford.

Ride Broncs & Bulls In 3-Day Rodeo

The first fully professional championship rodeo to appear in this area is coming to Wauconda for three contests on July 3, 4, and 5. Five classic rodeo events are scheduled with \$900 plus entry fees being offered to the winning riders.

Events scheduled for the Wauconda Rodeo include saddle bronc riding, bareback bronc riding, bull riding, calf roping and steer wrestling. All these events are rough, hard, bone crunching tasks for the cowboys and provide unlimited thrills and chills for spectators.

The rodeo will be held Friday and Saturday nights, July 3 and 4 at 8:30 o'clock, and on Sunday afternoon, July 5, at 2:00. A parade featuring music, area saddle clubs and all rodeo participants including clowns will march down Main Street Sunday afternoon just prior to the afternoon performance. They will march to the rodeo grounds next to the American Legion Hall on Rand Road. Any horse and rider are invited to join this parade. Paraders will meet at the Junior High School at 12:30 Sunday, July 5.

Public Aid Rolls Drop In April

The public aid rolls in Illinois declined in April by a total of 4,899 persons. Harold O. Swank, director of the Illinois Department of Public Aid, reported today that there were reductions in the Aid to Dependent Children, Old Age Assistance, Blind Assistance and General Assistance rolls, and a small increase in the number of persons on Disability Assistance.

In Lake County, 2,612 persons received a total of \$135,504 in all assistance programs in April.

411 persons received a total of \$32,314 in old age assistance; 1,190 persons received \$51,973 in Aid to Dependent Children; 22 blind persons received \$1,519; 79 persons received \$6,117 in disability assistance, and 910 persons received \$43,581 in General Assistance.

The Full Story

The teacher told the class, "Do not imitate what other people write. Simply be yourself and write what is in you."

Tommy turned in the following composition: "In me there are my stomach, heart, liver, two apples, one piece of pie, a lemon drop, and my lunch."

DEATH NOTICES

MARGARET A. ISSELHARD
Mrs. Margaret A. Isselhard, 65 years old of 256 Park Avenue, Antioch, passed away suddenly Friday, June 19, at her home from a heart ailment after a three year illness. She was born July 1, 1908 in Chicago where she had worked as secretary to the Superintendent of the Northwestern Railroad until her retirement 20 years ago. She moved to Palatine in 1947, then to Lake Zurich in 1955 and to Antioch three years ago. She had married Ralph J. Isselhard on April 25, 1925, in Chicago. She is survived by her husband, Ralph, of Antioch, two brothers, Owen Toale and William J. Toale, both of Chicago.

A funeral mass was held Monday morning at St. Juliana Church in Chicago, with interment in St. Michael the Archangel at Palatine, Ill. Friends called at the funeral home at 6754 N. Northwest Highway, Chicago. Local arrangements were made by Strang Funeral Home.

WILLIAM E. HEIBENTHAL
William Earl Heibenthal, 76 years old of 2243 W. Barry Ave., Chicago, passed away suddenly on Saturday, June 20, at his summer home at Lake Shangri-La Beach subdivision near Bristol, Wis., from a heart attack at 3:00 p.m. He was born April 7, 1908 at Tionesta, Pa., then moved with his parents to Pittsburgh, Pa., at age of 7 years, where he made his home until moving to Chicago in 1911. Mr. Heibenthal had spent his summers since 1948 at his home in Lake Shangri-La Beach Subdivision.

He married Muriel Snedaker on March 1, 1930 in Chicago.

He held membership in West Irving Blair Lodge No. 393 A.F. & A.M., Chicago, Royal Arch Corinthian Chapter No. 2, R.A.M., Chicago, Electrical Craftsmen No. 1, Local 134 I.B.E.W., Chicago, and served as a past Patron of Betsy Ross Chapter No. 834 O.E.S., Chicago. Mr. Heibenthal had retired as an electrician by occupation.

He is survived by his wife, Muriel S., one step-son, Ralph E. Schmid, Indianapolis, Ind., one sister, Mrs. Mary McDaniel, Chicago; one niece Mrs. Kathleen Griffin, Portland, Oregon; two granddaughters, and a foster son, Charles E. Berg, Chicago.

He rested at the Strang Funeral Home in Antioch from 1 p.m. Monday, until 10 p.m., then at the Henry W. Mueller Funeral Home at 5308 W. Belmont Ave., Chicago, after 1 p.m. Tuesday, until time of services at 1:00 p.m. at the funeral home.

Interment was private.

RICHARD M. CASS
Mr. Richard M. Cass, 57

EVERY LITTER BIT HURTS

All winter thru—as cold winds blew
My dreams were of summer
and traveling.
Oh, I'd have a vacation
sublime!
I'd visit the lakes and
mountains
In this wonderful land of
the free,
And enjoy nature's beauty
abounding
From sea to shining sea!

But I reckoned without my
fellow man
As I followed in his wake.
He tossed his rubbish thither
and yon.
The landscape he desecrates.
Searched a stream or lake
or bluff
is without broken glass and
cans.
Even "Ole Faithful" at
Yellowstone
Near the "calling card" of
man.

Disposable cartons and tissues
Disposable Cartons and tissues
Blessing tho' they be
Make threat of fire more certain
When tossed promiscuously.

If all the tourists' garbage
Were laid out end to end
'Twould encircle the earth
completely
Not once but ten times ten!

So remember as you travel
By train or bus or car
Treat every spot of your
homeland
As you would your own
front yard.

"Don't Be a Litterbug!"
Pearl Scully
Litterbug Chairman
Antioch Garden Club

years old, of 1305 Oaklane Road, Ingleside, Ill., passed away on Monday, June 22, 1964, at 7:30 a.m. in St. Therese Hospital from injuries received in an automobile accident on June 18, at Hwy. 132 and Wilson Road. He was born Oct. 18, 1906 in Chicago and had lived most of his life in the Ingleside area. He held membership in Council 1288 of the K of C at McHenry.

He is survived by his wife, Ann, one son, Richard Cass, Chicago; three sisters, Mrs. Daniel (Jean) Werhan, Lake Villa, Mrs. Dor (Helen) Cremin, Lake Villa, Mrs. Robert J. (Eleanor) Steffens, Cleveland, Ohio, his father, John O. Stratton, Lake Villa.

Funeral services were held at 9:30 a.m. Wednesday from Strang Funeral Home to St. Bede's Church at Ingleside, where a Requiem mass was held at 10 a.m.

Benedictine Sisters Receive B.A. Degrees

Among twenty-six Sisters receiving the Master of Arts degree in Sacred Studies, given for the first time in the history of St. John's University, Collegeville, Minnesota, on May 28, 1964, were Sister Mary Gregory Lucke, O.S.B., superior, and Sister Maris Stella Doran, O.S.B., of Holy Family Convent, Benet Lake, Wisconsin.

This graduation was the first from the Benedictine Institute of Sacred Theology, begun in 1958 by the superiors of the American Benedictine Convents, acting on the wishes of Pope Pius XII, who desired Sisters to be formed in theology according to the spirit of their Orders.

Senator Eugene McCarthy of Minnesota, who received the Pax Christi award given to an outstanding legislator, gave the commencement address. Father Frederick McManus of Boston, Mass., received the Pax Christi award presented to a liturgist.

About 230 young men received B.A. and B.S. degrees and others received R.O.T.C. commissions at the ceremony, which was held in the Abbey Church at 2:15 p.m. The Right Reverend Abbot of St. John's Abbey, Baldwin Dvorschak, conferred the degrees.

Social Notes

By Del Jahneke

Mr. and Mrs. Joseph Horton of Antioch have had a busy schedule entertaining various friends and relatives this last week. On June 20, Mrs. Elma Anderson (the former Elma Cannon) from Pasadena, Calif., was a guest at their home. On Father's Day, the John V. Horton family of Antioch, and the Lowell Shook family of Trevor, Wis., had a family get-together. Now, Major and Mrs. Floyd McKinney (the former Charlene Nelson) have been visiting the Hortons and other relatives. Major McKinney is located at the Air Force Base in Roswell, New Mexico.

Mrs. Lucille Kutz of Dixon, Ill., and Mrs. Bernice Mogenson of Burlington, Wis., spent several days this past week visiting their mother, Mrs. Lucy Himmens of Antioch.

Campus News

Robert White, son of Mrs. Theresa White, Antioch, was one of 16 juniors at Cornell College named to the honors list.

Janet Polley, daughter of Mr. and Mrs. Warren Polley, 998 Osmond Ave., Antioch, was one of 18 freshmen named to the honors list at Cornell.

Ken Racine, 440 Linden Lane, Antioch was one of three men chosen to represent Carthage College at the Ninth Annual Convention of Circle K International fraternity.

Heir Born To Carl Seemann Empire

Carl Seemann raced the stork—and a pursuing traffic officer—to the Highland Park Hospital early Saturday morning, June 20 and won the race with a scant eight minutes to spare.

Result, one bouncing baby boy, Peter David, and double plaid stamps to customers of One Hour Martinizing last Saturday.

As a Rescue Squad member, Carl's used to emergencies. He won't mention the speed he says he maintained from his Lake Forest home to Highland Park Hospital, after Mrs. Seemann convinced him there was no time to spare. It was fast enough so that the pursuing arm of the law didn't get ahead of him.

Anyway, the cop forgave him when they reached the hospital and matters were explained.

Good Sports - They Like To Lose

Antioch's TOPS (Take off Pounds Sensibly) adopted a new name at their meeting last Monday night.

They are now TOPS Cheerful Losers, according to President Diane Buchta. This is one organization that LIKES to lose.

Since March 17, reports the president, the 27 members have lost 330 1/2 pounds. Next meeting of TOPS Cheerful Losers will be held Tuesday, June 30, at the Antioch Savings & Loan community room.

Swenson Chosen To 10th District Office

George Swenson, Antioch, was elected Commander of the 10th District of the American Legion at the Legion meeting in Fox Lake last Friday night, June 19. Jack Zanin was outgoing Commander of the district.

John Mould, Wauconda Post No. 911, was elected senior vice commander. Ruel Hartwell, Homer Dahlinger Post 281 of Waukegan, was elected junior vice commander.

Ranks 4th In Loyola Graduating Class

Wayne Starman, a 1960 graduate of Antioch High School, ranked 4th in a graduating class of 124 at Loyola University. His cumulative record for the four years at the University was 3.21.

TRAINING AT U. OF I.

Mrs. Mary E. Shepard, 654 N. Main St., Antioch, is attending a two-week House Director Training program at the University of Illinois from June 14-27.

Participants in the training program include those currently serving as house directors of college or university fraternities, sororities, institutionally operated, or privately owned student housing, and qualified women interested in entering this field.

ALTAR AND ROSARY PLANS RUMMAGE SALE

A meeting was held in St. Peter's School Hall, Friday afternoon, June 19, to set the wheels in motion for the Altar and Rosary's 5th annual rummage sale, July 14 and 15. Mrs. Robert Letkey is general chairman and Mrs. George Sedivec her co-chairman.

VISIT RELATIVES IN ANTIOCH

Mrs. Charley Hostetler, Alhambra, California, and daughter, Mrs. Victor Kroll of Altadena have been visiting relatives in Illinois and Wisconsin this past month. They returned to California last Sunday after spending a week with the Oren Hostetler family in Antioch.

BIRTH NOTES

Mr. and Mrs. Michael di Benedetto, Cross Lake, Antioch, are the parents of an 8 pound 8 ounce baby boy born June 23 at Victory Memorial Hospital. Mrs. di Benedetto is the former Carol Gundlach.

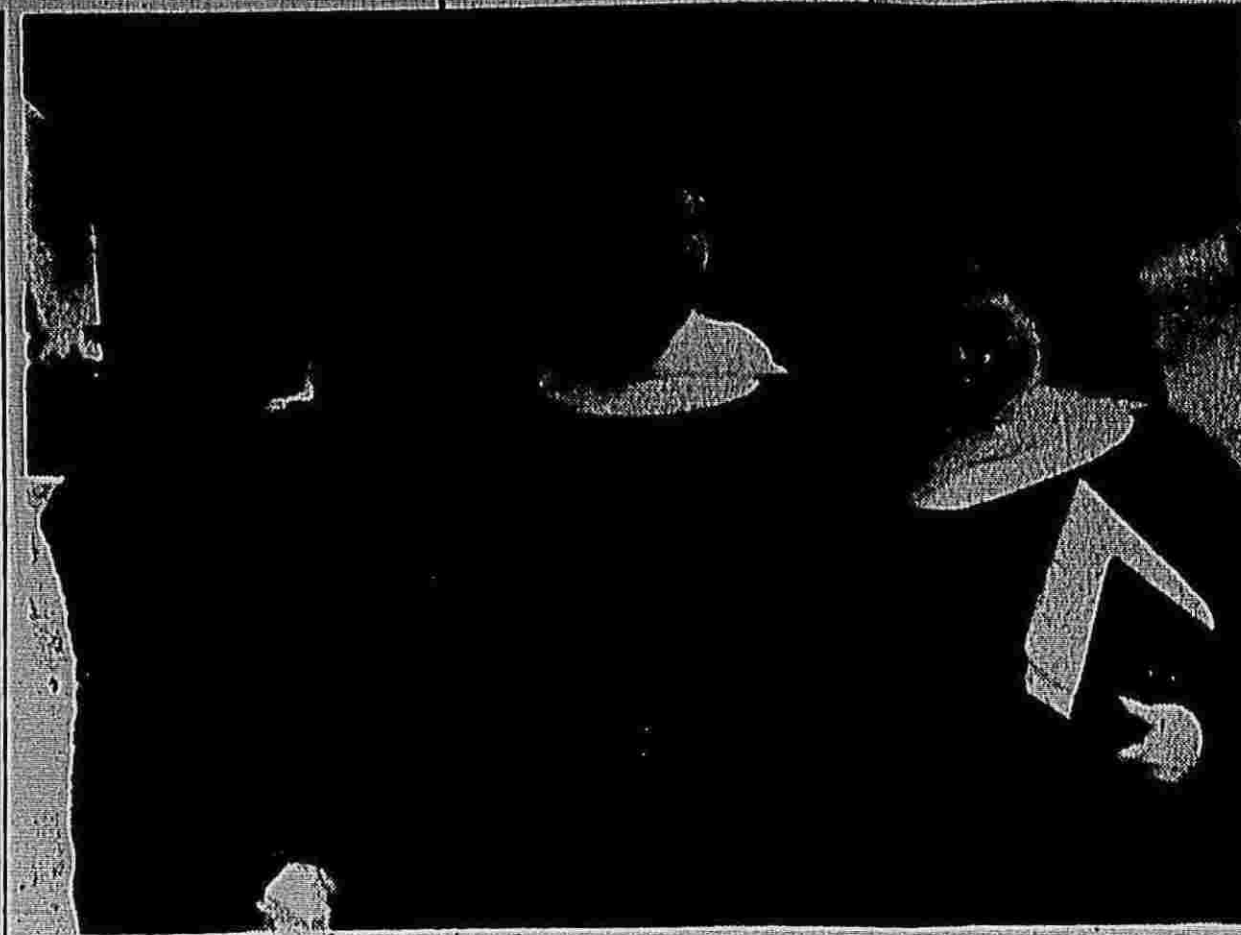

CELEBRATE ANNIVERSARY

Mr. and Mrs. William Barrett, Sr., of Chicago and Channah Lake celebrated their 43rd wedding anniversary on June 22.

AT BAND CAMP

Joseph Shirk, Antioch, is one of the music students at the high school band camp conducted by Eastern Illinois University from June 21 through June 28.

Springtime driving, says the Chicago Motor Club, often can be such a pleasant experience that a driver can inadvertently overlook such dangers as increased traffic, broken pavement, and the tendency to drive just a little bit faster than the posted speed limits. Even on the nicest of days, it's the safe driver who remembers to use common sense and courtesy behind the wheel.

TWO OF THE Benedictine Sisters at Benet Lake recently received degrees from St. John's University. Left to right, Father Paschal Bots, O.S.B., director of the Institute; Sister Mary Gregory, O.S.B., superior at Benet Lake, and Sister Maris Stella, O.S.B.

Lindenhurst News

Newcomers

A cordial welcome is extended to the Craig Riekeys and the Kenneth Sams.

The Riekeys, Craig and Pat, moved here in April from around Belmont and Clifton, in Chicago. They have been married seven years and have two children, Candy 4 and Christopher 1. Pat is the daughter of Mr. and Mrs. Fred Zandler on Sand Lake Road. Craig works for Smith Corona in Skokie. Their home is at 2310 Rolling Ridge Lane.

Kenneth and Mary Anne Sams are making their home at 112 N. Hickory Drive. They will be married six years on August 16, and have three children. Cindy is 4, Craig 3, and they have a brand new daughter, Rebecca Kay, born May 31, at Victory Memorial Hospital. She weighed 6 pounds 2 ounces at birth.

They moved here March 1 from Waukegan, where Ken has lived all his life. He works for Craft-Amies Co. His hobby is shooting. Mrs. Sams is a substitute teacher, originally from Peoria. She enjoys playing bridge.

Get Acquainted Party

Members of the Lindenhurst Women's Club are reminded to attend the get-acquainted party Tuesday evening at the Venetian Village hall, planned by the Venetian Village Women's Auxiliary.

Moving Into New Home

The Ray Parpan family are moving into their new home on Chestnut Circle, July 1, from Fairfield Road. Helping them get ready for the big move, are Pat's parents, Mr. and Mrs. Bernard Ginnely of Chicago.

Home on Leave

The Ted Brendel family are happy to have their son, Bill, home again, even if he has to go back to Germany again in 30 days. The young man has been overseas for a year, and has enjoyed being there. He is a graduate of Antioch High School.

Hail

That Christmas in June, that Fox Lake celebrated

ICMRC Holds Convention

The Illinois Council for Mentally Retarded Children held their 12th annual convention at Springfield in May.

The Council announces that the American Medical Association recently held a 3-day conference to search out ways of speeding up medical mobilization against mental retardation throughout the country. Dr. Howard A. Rusk reported that in terms of numbers, mental retardation is the most handicapping of all childhood disorders; with over 5 1/2 million retarded children and adults in the U. S. and 126,000 babies born every year who will become retarded.

Efforts are being made by the Council to stimulate more students to choose the field of special education as a career. There is a drastic shortage of qualified teachers of the mentally handicapped at present in Illinois.

New York is the second state to mandate PKU testing for all newborn infants. PKU (Phenylketonuria) is a preventable cause of mental retardation. Latest statistics show that the condition occurs once in every 10,000 births. Massachusetts was the first state to make testing of infants for this disease compulsory.

Politician

"Recently I overheard two men at coffee talking about a third fellow they evidently didn't care much for. 'He's a typical politician,' said the one, 'you know, I think he uses those big words so people won't know what he's talking about. He's afraid that if people knew what he was talking about, they'd know he didn't know what he was talking about.'" —Mount Sterling Democrat Message.

Saturday and Sunday, must have fouled up the weather man. He was a few days late, when he tried to provide snow for them, but came down with hail, instead, Monday evening. That weather sure stopped traffic.

FATHER'S DAY

As a man grows older he begins to appreciate his own father a little more.—Roy L. Smith.

He who is taught to live upon little owes more to his father's wisdom than he who has a great deal left him does to his father's care.—William Penn.

All honor and success to those who honor their father and mother.—Mary Baker Eddy.

The father who does not teach his son his duties is equally guilty with the son who neglects them.—Confucius.

When men abandon the upbringing of their children to their wives, a loss is suffered by everyone, but perhaps most of all by them.

the Fair, Aug. 14 through Aug. 23.

Deadlines listed are: June 30, Children's Day activities on opening day, Aug. 14, and for accordion, fretted instruments, organ and Cavalcade of music contests; July 10, Livestock; July 20, general classifications; July 6, professional art. Paintings must be received by Saturday, July 11.

Franklin Rust, general manager of the fair, said that with more than 30,000 separate fair exhibits, a record-breaking number of entries should be made. There are more than 18,000 livestock entries alone.

THE ANTIOCH NEWS

THURSDAY, JUNE 25, 1964

To get the most in efficiency and safety out of your car, remember to think before you drive—and while you drive. Your car, if you keep it in good mechanical condition, will do what you ask it to do. But it is up to the individual driver to make the proper decision at the proper time.

A feed store is the only place left where you can get a chicken dinner for a dime. —Times-Press, Hartford, Wis.

How to be smarter than your wife (on the subject of Savings Bonds)

Of course, there's no question about who's smarter at your house on most subjects. But to remove any doubt as to who knows more about U. S. Savings Bonds, the Treasury Department presents this little quiz. You take it first so you'll know all the answers and then pop it on your spouse. Great for the morale.

1. A Series E Savings Bond reaches maturity in:
☐ 5 years ☐ 7½ years ☐ 10 years
2. The money you earn from Savings Bonds is exempt from state and local income taxes.
☐ true ☐ false
3. You have to be an American to buy U. S. Savings Bonds.
☐ true ☐ false
4. Americans owned more Savings Bonds in:
☐ 1943 ☐ 1953 ☐ 1963
5. Uncle Sam will give you a new Bond free if:
☐ You accidentally toss it in the washing machine
☐ The neighbor's dog swallows it whole
☐ A thief steals it
6. It's hard to redeem a Savings Bond.
☐ true ☐ false
7. A Bond that costs \$18.75 will:
☐ Grow to \$25 and stop
☐ Keep on growing if you don't cash it in
8. If you have a large Bond, you can cash in just part of it.
☐ true ☐ false
9. The 20,000 banks and other issuing agents which sell Savings Bonds don't charge Bond buyers a penny for the service.
☐ true ☐ false
10. You can have somebody else buy your Bonds for you.
☐ true ☐ false

ANSWERS

1. 7½ years is correct.
2. True. What's more, federal tax on E Bond interest may be deferred until the Bond is redeemed.
3. Generally speaking, true. You must be either a resident; a citizen living abroad; or an employee of the U.S., military or civilian.
4. In spite of the fact that Bond-buying was nearly universal during the war years, the correct answer is 1963.
5. You're right no matter which answer you checked.
6. False. Any bank will redeem your E Bond anytime after the two-months' holding period.
7. A Series-E Bond will keep growing for 10 years past maturity. Extension is automatic.
8. True. If you had a \$100 Bond, for instance, you could get cash for ¼ its current value, and have smaller Bonds issued for the balance.
9. True. Banks and other financial institutions offer this valuable service free.
10. True. A perfect example is the Payroll Savings Plan. You can buy Bonds for other people, too. In fact, they make excellent gifts.

Keep freedom in your future with U. S. SAVINGS BONDS

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this newspaper for their patriotic support.

ORDINANCE NO. 64-8-16

ANNUAL APPROPRIATION ORDINANCE OF THE VILLAGE OF ANTIOCH, IN THE COUNTY OF LAKE AND STATE OF ILLINOIS, FOR THE FISCAL YEAR BEGINNING MAY 1ST, 1964, AND ENDING APRIL 30TH, 1965.

F) Maintenance and Repairs	2,500.00
G) Pumps and Equipment	1,000.00
Buildings	1,000.00

Speaking To.....

(continued from page 2)

...or send the marines to turn on the water in Cuba, or tear down the Berlin wall. There would certainly be some one with enough backbone to stop the ridiculous or the dismal. The change would be a difference in attitude and in method.

The American foreign policy for the last twenty years has been based on a sincere desire for peace, and a determination to promote international cooperation. We recognized that the post war world needed rest and encouragement, we recognized the revolt of the colonial world and of the have not nations. We lived in a world of grave contradictions and vast complexity. We built the strongest military organization in the world, and then used diplomacy, and foreign aid, and the U. N. to promote world recovery. That was the policy of Truman, of Eisenhower, of Kennedy, and of Johnson.

Mr. Goldwater is offering us a choice instead of an echo. He is a simple man; he believes in simple solutions. He has no faith in the U. N., he thinks that all decent people think in the patterns of a midwest American, and the bad guys are winning.

A vote for Goldwater is a vote for an exciting foreign policy. Dangerous, yes; fatal, perhaps; but not dull. Our allies are alarmed at the prospect but a strong leader is not influenced by their timidity. The great tradition of the American west, that of the man with the fast draw, will replace caution and diplomacy.

In the field of domestic affairs, the change will be just as great. Take the field of civil rights as one example. Every recent administration has supported civil rights as a national obligation. Goldwater is no racist, but his solution is to leave the problem to the states; the Ross Barnetts and the Birmingham police. The senator will receive the vote of every racist in the country, not because he is a bigot, but because his policies serve the ends of bigotry. His chance of election depends almost entirely on the support of the racists north and south. It is not that Barry is a bad man. He is not. He sincerely believes in a kind of freedom that gives everyone the same opportunity. Both the rich and the poor will have equal rights to live in tenements; both have what Dean Russell once called the

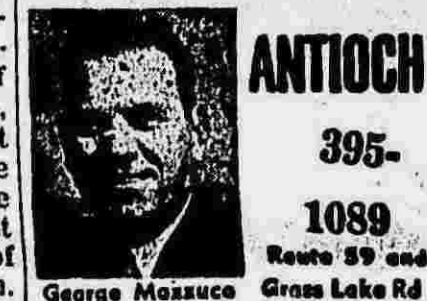

THE ANTIOCH NEWS & THURSDAY, JUNE 25, 1964

right to starve. Barry is a very decent chap from all accounts. His hard core supporters are not. They genuinely want to turn back the clock. They would destroy collective bargaining and federal regulation of business. To them the federal government is the enemy, and Barry is the one who leads us back to the good old days of 1900. They expect to have a strong influence in the Goldwater administration and they will feel betrayed if they don't. But they trust Barry; he may be short on facts but his heart is right. Make no mistake about it: you have a chance to vote for a change this fall. If you are bored and want to live dangerously, if you are tired of reform and would welcome a return to rugged individualism this year you can mark your ballot for the man who is not an echo.

Pleasant spring weather means increased activity in school zones. Motorists driving near schools or playground should be constantly alert for the child who may have forgotten his safety lessons. Always reduce your speed when driving in residential areas.

News of Lakesports

Flips, Roll-Overs, Hospitalize Two At Wilmot Tract

Rodger Otto of Burlington, Wis., was featured during driver interview time Saturday at the Kenosha County Speedway in Wilmot. He then went out on the track and won the 25 lap feature race, boosting his point lead further ahead of second place driver, Jim Sullivan of Antioch.

Sullivan had led the feature but got involved in traffic and both he and Lee Westlawski of East Troy spun out. Both later continued with Sullivan finishing fourth.

The night of racing was filled with excitement and flips by several cars. Bill Moore of Mundelein started off the evening in the fourth heat race with a spectacular end-over-end roll which ended with his car on its wheels. Moore was unconscious for a moment but was wide awake and objecting to the hospital trip as he left the track. He lost a tooth and had a sprain in his shoulder. He was released following observation at the Burlington Memorial Hospital.

In the following race, two spectator cars flipped over. First, Danny Nevorski of Kenosha and then Mike Mathews of Antioch flipped their cars. Neither driver was injured. In fact Mathews continued on in the race.

The modified semi-feature started with a flip by Norm Danko of McHenry and a second as the race ended by Ray Dobbs. Danko was OK but Dobbs was taken to the hospital where his condition was not serious. Terry Vaughn of Milwaukee won his second semi-feature race in a row. Jim Bozeman of Waukegan; Claude Potter of Twin Lakes; Lee Westlawski and Bay Darnell of Deerfield were modified heat race winners.

Tommy Rivers won the first spectator heat race and Dick Aissen of McHenry won both the second heat and feature. Aissen is the defending 1963 Spectator champion and these were his first wins of the 1964 season. The popular driver received wild acclaim from the fans as he took the checker around following his wins.

Think how a mother kangaroo must hate a rainy day when the kids can't play outside.

GOLF By Dan Coleman Head Pro MIDLANE FARM COUNTRY CLUB

Wadsworth, Illinois (This is the first in a series of golf instructions by a golfer who has taught at several of America's finest country clubs in both Phoenix, Ariz., and the Chicago area. He is now head pro at the new Midlane Farm Country Club in Wadsworth, Ill.)

THE GOLF GRIP

There are three major grips that are used today, the overlap, inner-lock and the baseball grip. Naturally everyone's hands are not shaped the same way and so this is the reason for the different grips. You should experiment a little and then choose the grip that is most suitable for your particular hands. Practice placing your fingers on the club properly several times each day.

I prefer the over-lapping grip and I know that the majority of the playing professionals are using this grip today. In this grip, the little finger of the right hand overlaps the first finger of the left hand. The V formed by the thumb and first finger of the left hand points in the direction of your right shoulder. The V formed by the thumb and forefinger of your right hand should point to your face.

The club should be placed more in the fingers, rather than in the palms of the hands, and the fingers and hands should be fitted together as snugly as possible to help them to work together as one unit.

The club should be held firmly, but not too tight. One way to test the pressure on your grip is while you are wagging the club in your hands. The wrists should be slightly supple and you should be able to feel most of the weight in the club head.

50-LAP CHAMPIONSHIP RACE

SUNDAY, JUNE 28th

1/4 mile east of Route 41 on Washington St.

Top Cars To Compete At Dragaway

The eighth annual Wisconsin-Illinois "Interstate Championships" will be held this coming Sunday and Saturday, June 28th and 27th. With both states supplying many of the nation's top cars and drivers and this being one of the most heated state rivalries, a record number of cars with record speeds is expected.

Both states will be represented by winners in the recent "National Fuel & Gas Championships." Chuck Hepler of Champaign, driving the "Fugitive" won the National title in the nitro dragster division by beating defending champion Chris Karamesines of Chicago, and his "Chizler." Hepler's winning speed was 193.87 mph. Veteran driver Pete Farnsworth of Milwaukee driving the "Marinoff Special" took top speed title in the gas dragster division at 181.11 mph. In addition to Hepler and the "Fugitive," Clarence (OZ) Hay of Rockford with "Nitroholio" and Cliff Zink of Chicago with the "Swindler" give Illinois an almost unbeatable 1-2-3 punch. Hay holds the nitro dragster track record at 203.37 mph.

Wisconsin's hopes in the nitro division are dependent on 3 top notch drivers, Ed Stoffels and his "Quartermaster" and Dick Burton driving "Big John," both of Milwaukee and John Butera of Kenosha. Wisconsin entries in the gas dragster division also include John Tunison piloting "Engines Unlimited," Chuck Weddig with the "Torque Twister," both of Milwaukee, Art De Luca driving the "Devil" and Mark Mano with "Pokie," both of Racine.

Illinois entries in the gas dragster division include Mark Pieri of Rockford driving "Why Not," Dave Roberts of Lake County with the "Hustler," and Jack Rodgers of Chicago with the "Intruder." More than 350 entries in all divisions including factory set-up stock cars, sports cars, and motorcycles will compete. There will be a 2 complete separate events Saturday 8 p.m., Sunday 2 p.m. The drag strip is 12 miles north of the Illinois-Wisconsin State line on Hwy. 45 at Union Grove, Wis.

"What kind of saddle do you want?" the cowboy asked the dude. "With or without a horn?" The dude pondered a moment before answering, "Without, I guess. Doesn't seem to be much traffic on these prairies."

Races Rained Out Again

Once again the unpredictable weatherman cancelled hopes of race fans to witness the big 50 lap June Championship for the second week. The sought after trophy, which was donated by Hendricks Brothers Ford of Zion, is beginning to look bigger and bigger each week. In spite of the rain, however, last Sunday Bay Darnell did receive his trophy for the splash party he tried to organize at Daytona Speedway last winter.

Keeping in tune with the changes taking place at the New Waukegan Speedway, veteran announcer Jerry Wolf of Antioch will take the microphone starting Saturday night to call the action from trackside. Jerry has been following auto racing for quite some time and promises to add color to the already colorful action at this track.

Starting this Saturday night June 27, there will be a complete program of late model, sportsman and jalopy racing season. This, coupled with the big 50 lap June Championship, with late model, sportsman and modified scheduled for Sunday night, offers an exciting program. This is another first for the New Waukegan Speedway, which now offers auto racing Saturday and Sunday nights for a full weekend of thrills and spills.

By the way, the word is out that everyone is after Frank the Wrecker Decker.

Tips From The Tackle Box

Offbeat Bugging
Popping bugs are light, but bulky, floating lures made of cork, balsa, plastic or clipped deer hair. They are cast with a fly rod, then twitched to make them "pop" and dance at the surface. They are thrilling lures to use, for their stir certain game fish species to murderous attack.

Poppers are made to order for bass fishing, but largely overlooked is the fact that pickerel and northern pike react even more savagely to poppers than do bass. These two species are not often fished as top game fish, but when a long jawed pickerel comes streaking out to explode under a bug, prejudice usually vanishes instantly, and when it's a big brute of a northern pike the thrills are truly king size, for a big northern hits a bug with a commotion guaranteed to jolt the most seasoned fisherman. And that's the beauty of it: by turning to bugging you get top thrills from two species that are often scorned.

At Gladding Aerofloat fly line is just the ticket for this business, for it will float—and keep floating. This is of vital importance when you're lifting a bulky bug off the water at the end of each retrieve. Gladding shock leaders are also made to or-

THE ANTIOCH NEWS 7 THURSDAY, JUNE 25, 1964

der — their reverse tapered beef up diameters right where you need it to keep pickerel and pike from biting off your lures. Ordinary size bass bugs are best for pickerel, but super sizes are needed for big northerns which think nothing of picking off young muskrats and ducklings.

Cast close to stumps, patches of lily pads and weed beds. Put plenty of "tease" into each retrieve, for your bug should simulate some helpless creature trying to flounder to safety. If pickerel or pike are present, you're in for some heady thrills—so stand ready for slam-bang action!

Any fishing questions? Send them to me, in care of this newspaper.

Speaking To.....

(continued from page 2)

sla, or send the marines to turn on the water in Cuba, or tear down the Berlin Wall. There would certainly be some one with enough backbone to stop the ridiculous or the dismal. The change would be a difference in attitude and in method.

The American foreign policy for the last twenty years has been based on a sincere desire for peace, and a determination to promote international cooperation. We recognized that the post war world needed rest and encouragement, we recognized the revolt of the colonial world and of the have not nations. We lived in a world of grave contradictions and vast complexity. We built the strongest military organization in the world, and then used diplomacy, and foreign aid, and the U. N. to promote world recovery. That was the policy of Truman, of Eisenhower, of Kennedy, and of Johnson.

Mr. Goldwater is offering us a choice instead of an echo. He is a simple man; he believes in simple solutions. He has no faith in the U. N., he thinks that all decent people think in the patterns of a midwest American, and the bad guys are winning.

A vote for Goldwater is a vote for an exciting foreign policy. Dangerous, yes; fatal, perhaps; but not dull. Our allies are alarmed at the prospect but a strong leader is not influenced by their timidity. The great tradition of the American west, that of the man with the fast draw, will replace caution and diplomacy.

In the field of domestic affairs, the change will be just as great. Take the field of civil rights as one example. Every recent administration has supported civil rights as a national obligation. Goldwater is no racist, but his solution is to leave the problem to the states; the Ross Barnetts and the Birmingham police. The senator will receive the vote of every racist in the country, not because he is a bigot, but because his policies serve the ends of bigotry. His chance of election depends almost entirely on the support of the racists north and south. It is not that Barry is a bad man. He is not. He sincerely believes in a kind of freedom that gives everyone the same opportunity. Both the rich and the poor will have equal rights to live in tenements; both have what Dean Russell once called the

THE ANTIOCH NEWS & THURSDAY, JUNE 25, 1964

right to starve. Barry is a very decent chap from all accounts. His hard core supporters are not. They genuinely want to turn back the clock. They would destroy collective bargaining and federal regulation of business. To them the federal government is the enemy, and Barry is the one who leads us back to the good old days of 1900. They expect to have a strong influence in the Goldwater administration and they will feel betrayed if they don't. But they trust Barry, he may be short on facts but his heart is right. Make no mistake about it: you have a chance to vote for a change this fall. If you are bored and want to live dangerously, if you are tired of reform and would welcome a return to rugged individualism this year you can mark your ballot for the man who is not an echo.

Pleasant spring weather means increased activity in school zones. Motorists driving near schools or playground should be constantly alert for the child who may have forgotten his safety lessons. Always reduce your speed when driving in residential areas.

Races Rained Out Again

Once again the unpredictable weatherman cancelled hopes of race fans to witness the big 50 lap June Championship for the second week. The sought after trophy, which was donated by Hendrickson Brothers Ford of Zion, is beginning to look bigger and bigger each week. In spite of the rain, however, last Sunday Bay Darnell did receive his trophy for the splash party he tried to organize at Daytona Speedway last winter.

Keeping in tune with the changes taking place at the New Waukegan Speedway, veteran announcer Jerry Wolf of Antioch will take the microphone starting Saturday night to call the action from trackside. Jerry has been following auto racing for quite some time and promises to add color to the already colorful action at this track.

Starting this Saturday night June 27, there will be a complete program of late model, sportsman and jalopy racing season. This, coupled with the big 50 lap June Championship, with late model, sportsman and modified scheduled for Sunday night, offers an exciting program. This is another first for the New Waukegan Speedway, which now offers auto racing Saturday and Sunday nights for a full weekend of thrills and spills.

By the way, the word is out that everyone is after Frank the Wrecker Decker.

Top Cars To Compete At Dragaway

The eighth annual Wisconsin-Illinois "Interstate Championships" will be held this coming Sunday and Saturday, June 28th and 27th. With both states supplying many of the nation's top cars and drivers and this being one of the most heated state rivalries, a record number of cars with record speeds is expected.

Both states will be represented by winners in the recent "National Fuel & Gas championships." Chuck Hepler of Champaign, driving the "Fugitive" won the National title in the nitro dragster division by beating defending champion Chris Karamesines of Chicago, and his "Chizler." Hepler's winning speed was 193.87 mph. Veteran driver Pete Farnsworth of Milwaukee—driving the "Marinoff Special" took top speed title in the gas dragster division at 181.11 mph. In addition to Hepler and the "Fugitive," Clarence (OZ) Hay of Rockford with "Nitrohollic" and Cliff Zink of Chicago with the "Swindler" give Illinois an almost unbeatable 1-2-3 punch. Hay holds the nitro dragster track record at 203.37 mph.

Wisconsin's hopes in the nitro division are dependent on 3 top notch drivers, Ed Stoffels and his "Quartermaster" and Dick Burton driving "Big John," both of Milwaukee and John Butera of Kenosha. Wisconsin entries in the gas dragster division also include John Tunison piloting "Engines Unlimited," Chuck Weddig with the "Torque Twister," both of Milwaukee, Art De Luca driving the "Devil" and Mark Mano with "Pokie," both of Racine.

Illinois entries in the gas dragster division include Mark Pieri of Rockford driving "Why Not," Dave Roberts of Lake County with the "Hustler," and Jack Rodgers of Chicago with the "Intruder."

More than 350 entries in all divisions including factory set-up stock cars, sports cars, and motorcycles will compete. There will be a 2 complete separate events Saturday 8 p.m., Sunday 2 p.m. The drag strip is 12 miles north of the Illinois-Wisconsin State line on Hwy. 45 at Union Grove, Wis.

"What kind of saddle do you want?" the cowboy asked the dude. "With or without a horn?"

The dude pondered a moment before answering, "Without, I guess. Doesn't seem to be much traffic on these prairies."

News of Lakesports

Flips, Roll-Overs, Hospitalize Two At Wilmot Tract

Rodger Otto of Burlington, Wis., was featured during driver interview time Saturday at the Kenosha County Speedway in Wilmot. He then went out on the track and won the 25 lap feature race, boosting his point lead further ahead of second place driver, Jim Sullivan of Antioch.

Sullivan had led the feature but got involved in traffic and both he and Lee Westlawski of East Troy spun out. Both later continued with Sullivan finishing fourth.

The night of racing was filled with excitement and flips by several cars. Bill Moore of Mundelein started off the evening in the fourth heat race with a spectacular end-over-end roll which ended with his car on its wheels. Moore was unconscious for a moment but was wide awake and objecting to the hospital trip as he left the track. He lost a tooth and had a sprain in his shoulder. He was released following observation at the Burlington Memorial Hospital.

In the following race, two spectator cars flipped over. First, Danny Nevoriski of Kenosha and then Mike Mathews of Antioch flipped their cars. Neither driver was injured. In fact Mathews continued on in the race.

The modified semi-feature started with a flip by Norm Danko of McHenry and a second as the race ended by Ray Dobbs. Danko was OK but Dobbs was taken to the hospital where his condition was not serious. Terry Vaughn of Milwaukee won his second semi-feature race in a row. Jim Bozeman of Waukegan; Claude Potter of Twin Lakes; Lee Westlawski and Bay Darnell of Deerfield were modified heat race winners.

Tommy Rivers won the first spectator heat race, and Dick Aissen of McHenry won both the second heat and feature. Aissen is the defending 1963 Spectator champion and these were his first wins of the 1964 season. The popular driver received wild acclaim from the fans as he took the checker around following his wins.

Think how a mother kangaroo must hate a rainy day when the kids can't play outside.

GOLF

By Dan Coleman
Head Pro
MIDLAND FARM COUNTRY CLUB
Wadsworth, Illinois

(This is the first in a series of golf instructions by a golfer who has taught at several of America's finest country clubs in both Phoenix, Ariz., and the Chicago area. He is now head pro at the new Midland Farm Country Club in Wadsworth, Ill.)

THE GOLF GRIP

There are three major grips that are used today, the overlap, inner-lock and the baseball grip. Naturally everyone's hands are not shaped the same way and so this is the reason for the different grips. You should experiment a little and then choose the grip that is most suitable for your particular hands. Practice placing your fingers on the club properly several times each day.

I prefer the over-lapping grip and I know that the majority of the playing professionals are using this grip today.

In this grip, the little finger of the right hand overlaps the first finger of the left hand. The V formed by the thumb and first finger of the left hand points in the direction of your right shoulder. The V formed by the thumb and forefinger of your right hand should point to your face.

The club should be placed more in the fingers, rather than in the palms of the hands, and the fingers and hands should be fitted together as snugly as possible to help them to work together as one unit.

The club should be held firmly, but not too tight. One way to test the pressure on your grip is while you are wagging the club in your hands. The wrists should be slightly supple and you should be able to feel most of the weight in the club head.

Charge Price Fixed On Bleacher Bids

Attorney General William G. Clark has announced that he is in process of collecting \$300,000 for 50 Illinois school districts from two of six companies who conspired to fix prices in the sale of folding gymnasium bleachers to schools.

Representatives of the companies involved met regularly from 1954 to 1958 to set prices for the bleachers and allocate the amount of sales each company would receive. Bids were then entered to insure the chosen company getting the contract.

The companies involved are the Brunswick Corp. of Chicago, The Fred Modart Manufacturing Co. of St. Louis, Mo., Wayne Iron Works, Wayne Pa., Universal Bleacher Co., Champaign, Ill., Safeway Steel Products, Inc., Milwaukee, and Consolidated Foundries and Manufacturing Corp., Berlin, Wis.

Two of the six companies have agreed to pay \$300,000 in settlement of the suit the attorney general has filed under the Federal Anti-Trust Act. The money will be returned to the school districts who had purchased the bleachers and who have agreed to allow the Attorney General to represent them in the matter. Brunswick Corp. agreed to repay \$212,970.24 on purchases of \$615,521. Fred Modart Co. is repaying \$55,000 on total purchases of \$175,662.98.

Clark said he expects to recover hundreds of thousands of dollars from the other four defendant companies.

Clark said that he had contacted all school districts in the State which had purchased gymnasium bleachers from the companies involved during the four years. He had offered to represent them in the litigation, as they might not be in a financial position to conduct such court action themselves. Those school districts which

had not agreed to let him represent them would not recover any of the damage collected, he said.

Some of the schools involved are Libertyville Elementary, High School Dist. 120 of Mundelein, North Chicago High School, Grant Community High School, and School District 67 of Lake Forest.

Beach Grove

By Del Jahnske

Miss Karen Lightsey, daughter of Mr. and Mrs. Dan Lightsey, Beach Grove, flew by jet plane to New York City on June 21, to begin an exciting and educational summer vacation. Miss Lightsey is president of the Alpha Gamma Delta Chapter of Carroll College and is now attending the national convention of this sorority. Miss Janet Hiratsuka of Libertyville is accompanying her. The convention is being held at the Wentworth-by-the-Sea Lodge of Portsmouth, New Hampshire.

Miss Lightsey will leave New York City on June 29 to travel by boat to Belfast, Ireland. She will spend six weeks living with a family in Belfast, Ireland, and will also be touring and visiting Great Britain, under the experiment of International Living Plan Program. Carroll College is also sending other students to spend six weeks in other European countries. One of the stipulations is that they must live in a home with at least one English-speaking person. These students are being sent to live in other countries as ambassadors of good will, and to help create better understanding and friendliness with our nation.

standing and friendliness with our nation.

Daniel Geier, son of Mr. and Mrs. Peter Geier, Beach Grove, is now stationed at the Lackland Air Force Base in Texas. His brother, A/C Gary, is at the Waco Air Force Base, and has already driven the 180 miles to visit Dan. Dan would very much like to hear from some of his friends. His address is: A/B, Daniel Geier A S 1600002, Box 1563, Ft. 622, Lackland Air Force Base, Texas.

Mr. and Mrs. Edward Jahnske, Beach Grove, were dinner guests at the Robert Oliver home in Lake Forest, Saturday, June 20. Mr. and Mrs. Clarence Beckstrom of Lake Bluff were also present.

A woman's idea of keeping a secret is to refuse to tell who told it to her.

Scouts Get Ready For Jamboree

110 Boys and 10 leaders will converge on St. Sheridan on the weekend of June 26-27-28 for "Pro-Jamboree" shake-down training. The boys come from every community in the North Shore Area Council.

The Scouts will get a medical checkup, pitch their camp and cook meals during the weekend. They will also participate in the Jamboree Adventure Award program, which includes learning several skills.

Saturday evening, parents and the public are invited to attend a large campfire. The week-end will prepare the boys for the Sixth National Jamboree to be held at Valley Forge, Pennsylvania, from July 17-23. There will be boys assembled from all 40 of the foreign countries that sponsor Scouting, in addition to Scouts from all over the U. S.

The boys from the North Shore Area Council will leave O'Hare Field on the morning of July 15. After the North Shore contingent completes the Jamboree on July 23, they will head for New York City and spend a day touring the city and two days at the World's Fair, flying back to the north shore on July 27. There are eight openings left for Scouts to get in on

this high adventure. If a Scout or his parents are interested they should contact the Scout Service Center, Vernon 5-4124, or Ray Atwood, Antioch, 395-1064.

Millburn News

By Mrs. Frank Edwards Miller 6-5795

Promotion Sunday for the Sunday School classes will be held at the Millburn Congregational Church Sunday, June 28, at 10 a.m. There will be no Sunday School classes during July and August.

Baptismal services for Robin Eda Butler, daughter of Mr. and Mrs. George Butler, born April 8, and John Paul Ray, son of Mr. and Mrs. Paul Ray, born May 3, were held at the Sunday morning service at the Millburn

church. Bible School will be in session five days, June 22nd through June 26. Classes begin promptly at 9 a.m. and close at 11:30 each morning. Mrs. Mamie Nauta of Bristol, Wis., is visiting at the home of Mr. and Mrs. Frank Hauser.

The Devotional Study Group will meet this (Thursday) morning at 9 o'clock, at the home of Mrs. Garrett Trout.

Open House was held at the home of Mr. and Mrs. George Butler Sunday afternoon, June 21, in honor of the christening of their daughter, Robin Eda.

Mrs. Frank Edwards and Mrs. Jacob Kalut attended a pot-luck dinner at Bowen Park, last Sunday—a get-together of the Edwards families. The Mother-Daughter Sil-

Lake Villa News

By Mrs. Fred Bartlett
Lake Villa, 354-3372

Fireworks Display
A fireworks display will be held in Lehnmann Park July 4th, after dark. It will be sponsored by the Lake Villa Businessmen's Association.

Everyone is invited to attend.

American Legion Auxiliary
The Lake Villa American Legion Auxiliary will meet Thursday, July 8, at 8 p.m. at Johnson's Resort, Fourth Lake, Lake Villa. Plans for installation will be made. It will be a joint installation with the Legion Post, on August 1.

Women's Society of Christian Service

The Martha Circle of the Lake Villa Methodist Church met June 17, at the home of Mrs. Vern Blust of Spring Grove. Seventeen members gathered for a potluck picnic, after which a regular meeting was held. Their next meeting will be held July 15, in form of a picnic at the home of Mrs. Knipple. It will start at 12 noon.

The Naomi Circle of the Lake Villa Methodist Church will hold a rummage sale Friday, June 26, from 10 a.m. till 6 p.m., and Saturday, June 27, from 10 a.m. till 2 p.m. It will be held at the church on McKinley Ave.

The Women's Society of Christian Service will meet at 12 noon on July 7, at the church. A dessert luncheon will be served.

V. F. W. Notes

The Lake Villa V.F.W. Auxiliary will hold their next meeting July 6, at 8 p.m. at the V.F.W. hall.

The Lake Villa V.F.W. Post and Auxiliary Color Guards, members and Kadettes will participate in the parade at Highland Park, on July 4th.

Birthday Observance
Eugene Bartlett entertained a number of his playmates Tuesday in observance of his 7th birthday. After enjoying refreshments, games were played. Eugene received many nice gifts.

Fred Bartlett, Sr., was honored at a picnic recently in observance of his birthday. Several members of his family attended.

Congratulations

Mr. and Mrs. Donald Davidson are receiving congratulations on the arrival of a daughter, born Friday at St. Therese hospital. It is the couple's first child. They reside at 309 Grand Ave.

Visitors

Norman and Everett Nelson of North Chicago were visitors last Saturday at the Fred Bartlett, Sr. home.

Mr. and Mrs. Joe Botts and son, Danny, returned from a vacation at Chetek, Wis.

Mr. and Mrs. Donald Oilschlager and sons visited relatives in Wisconsin recently.

Jane Wolff, a student at Carroll college at Waukesha, Wis., is spending the summer vacation with her parents, Mr. and Mrs. Herman Wolff.

Mr. and Mrs. Louis Galiger of Millburn were visitors at the home of Mr. and Mrs. Frank Galiger Saturday.

Legion Auxiliary

The Lake Villa American Legion Auxiliary held their

regular meeting Thursday night at Johnson's Resort, Fourth Lake, Lake Villa.

Election of officers was held with the following to serve for 1964: Mrs. Undine Perkins, president; Mrs. Mathilda Bartlett, vice-president; Mrs. LaVern Kraemer, treasurer; Mrs. Dora Austin, secretary; Mrs. Elmer Marofsky, chaplain; Mrs. Helen Boerman, sergeant-at-arms; and Mrs. Dora Austin, historian. Joint installation will be held with the American Legion Post August 1, at 8 p.m. at the Lindenhurst Civic Center.

V.F.W. Items

The Department of Illinois VFW Convention will be held at Springfield, June 25 to 28. The Post members attending from here are commander Chuck Rinhart and delegates Robert Whitmore, Edwin Achiel Minne, and Clarence Kelly.

A Carnival will be held at Downey hospital on June 23 and 24. A number of VFW Auxiliary members plan to donate time, working at the Carnival.

The VFW Auxiliary Salad Bar luncheon and card party will be held July 22.

Royal Neighbors

The regular meeting of the Royal Neighbors of Cedar Lake Camp, Lake Villa, will be held Tuesday, June 30, at 8 p.m. Oracle Edna Botts will preside.

Salvation Army

Doughnut Day Chairman Mrs. Fred Bartlett, Sr., wishes to thank all the people who donated so generously tag day, also the volunteer workers who helped. Mrs. Clarence Perkins, Mrs. Lester Bunkleman, Mrs. Frank Slazes, Sr., and Miss Mary Petersen.

College Items

Mr. and Mrs. Lester Hamlin attended the graduation exercises held at Our Lady of Bethlehem Academy at Columbus, Ohio, where their daughter, Marilyn, was one of the graduates. They then drove to Pittsburgh, Pa., to visit their son, Allan and family, before returning home.

Dale Armstrong, a student at the University of Columbia, Missouri, is spending the summer vacation with his parents, Mr. and Mrs. Leonard Armstrong.

William Jarvis, a student at Northern University at DeKalb, is spending the summer vacation with his parents, Mr. and Mrs. Henry Jarvis.

Theresa Velkovich, who graduated from Marquette University at Milwaukee, was honored at a party recently. Several of her college friends attended.

Winsor Dalgaard, Jr., is home for the summer with his parents, Mr. and Mrs. Winsor Dalgaard, Sr. He is a student at St. Bede's Academy at Peru, Ill.

Simpson—"My children are Tartars—they pay no attention whatever to my advice." Jimpson—"Relax—they'll use every bit of it on their own kids some day."

Compile Data On Accidents In Lake Co.

The office of the Lake County Sheriff has released a report of motor vehicle traffic accidents in rural Lake County from 1960 to 1963 which were reported and investigated by the Lake County Sheriff's department. The report was compiled by Captain Harold W. Scheske.

Total traffic accidents for 1963 were 1970. Of these, 45 were fatal accidents and resulted in 55 deaths; 859 were personal injury accidents.

In 1962, the total accidents were 1800. These included 35 fatal accidents resulting in 39 deaths, and 728 personal injury accidents.

In 1961, the total accidents were 1871, with 41 accidents resulting in 52 deaths. There were 681 personal injury accidents.

1960 had 1670 accidents, 28 of the fatal accidents bringing death to 33 people. There were 640 personal injury accidents.

Although the figures show a drop in the total number of accidents in 1961 over the preceding year—about 100—there were 13 more fatal accidents resulting in nine more deaths.

1962 showed a slightly lower number of fatal accidents over 1961, but a higher total of accidents and personal injuries.

In 1961, the greatest number of fatal accidents occurred between the hours of 11 p.m. to 7 a.m. However, in 1960, '62 and '63, the greatest number were from 3 p.m. to 11 p.m.

Of the drivers involved in accidents, males in the age group of 25 to 34 years of age made up the largest group. Next highest age group was the 19 to 24 year old males.

Of the violations involved in accidents, speeding caused the greatest number of accidents, with following too closely a close second.

"WHAT IS YOUR WORK?"

Here is a program that tells how any employment can become a happy, progressive experience through the understanding of man's real purpose and activity as the instrument of God's wisdom and love.

Proclaim Safe Boating Week

National Safe Boating Week, proclaimed by President Lyndon B. Johnson for June 28-July 4, pays tribute to those who have continued to keep boating safe.

In the northwest Chicago and suburban area, the sixth annual safe boating observance will be spearheaded by a committee of local boatmen, according to Edwin H. Weig, of Drexel Blvd., Indian Point, (Rt. 1, Antioch), chairman of the group. Mr. Weig is a member of Flotilla 22-18.

United States Coast Guard Auxiliary, which annually sponsors the local Safe Boating Week activity. He points out that, while more than 38 million Americans go boating every year, the fast growing sport has not been followed by an alarming rise in boating accidents.

Keeping these millions of "skippers" safety-conscious throughout the year is the purpose of National Safe Boating Week," he said.

Arrangements have been made for local boaters to have their craft safety checked by Coast Guard Auxiliary Examiners at Bauke's Boat Basin, Fox Lake; Watts' Marina, Pistakee Lake; North Bridge Marina, McHenry;

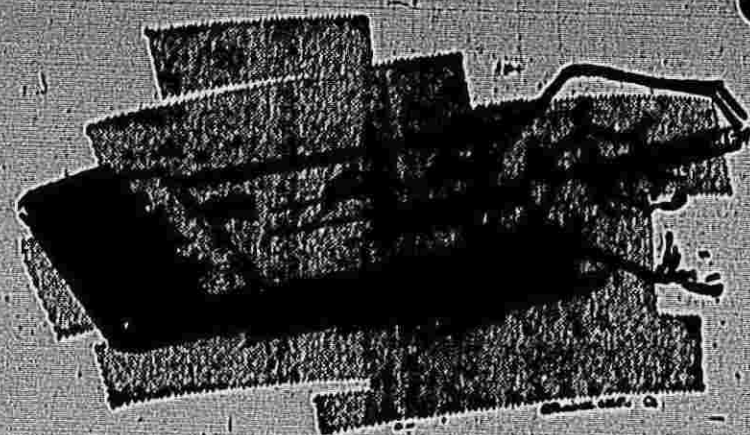

Kazmore's Marina and Grove on the Fox River near Barrington; and at the Evanston Launching ramp, starting at

10 a.m. at all locations on Sunday, June 28. Owners of boats which pass the rigid inspection will be awarded the

Mrs. Daniel Colter, Chicago, Ill.—"The Mustang is a real good car and it's easy to handle. I think it has great 'parkability.' It's very roomy. Getting into and out of the back seat is easy and still has plenty of room for baby's stroller and groceries. It suits our needs. And the low price, it's amazing!"

Mr. Arthur Klein, Chicago, Ill.—"I traded my Rambler in on a Falcon 2-Door Hardtop. I had trouble with winter starting—that's why I bought the Falcon... no trouble now. Another thing—the gas economy on the Falcon is good, even though I have the bigger of the two six-cylinder engines. The interior room is good, too... the Falcon just seems bigger than other compacts."

Mr. Vacouss Simutte, Chicago, Ill.—"I hadn't thought much about Ford's until my car started to act up. Now I'm glad that it did and sort of forced me into a Ford. It's a good thing it felt rugged and strong. One thing is particular I like about it is the greater leg room. I never seemed to have enough leg room in the Chevy."

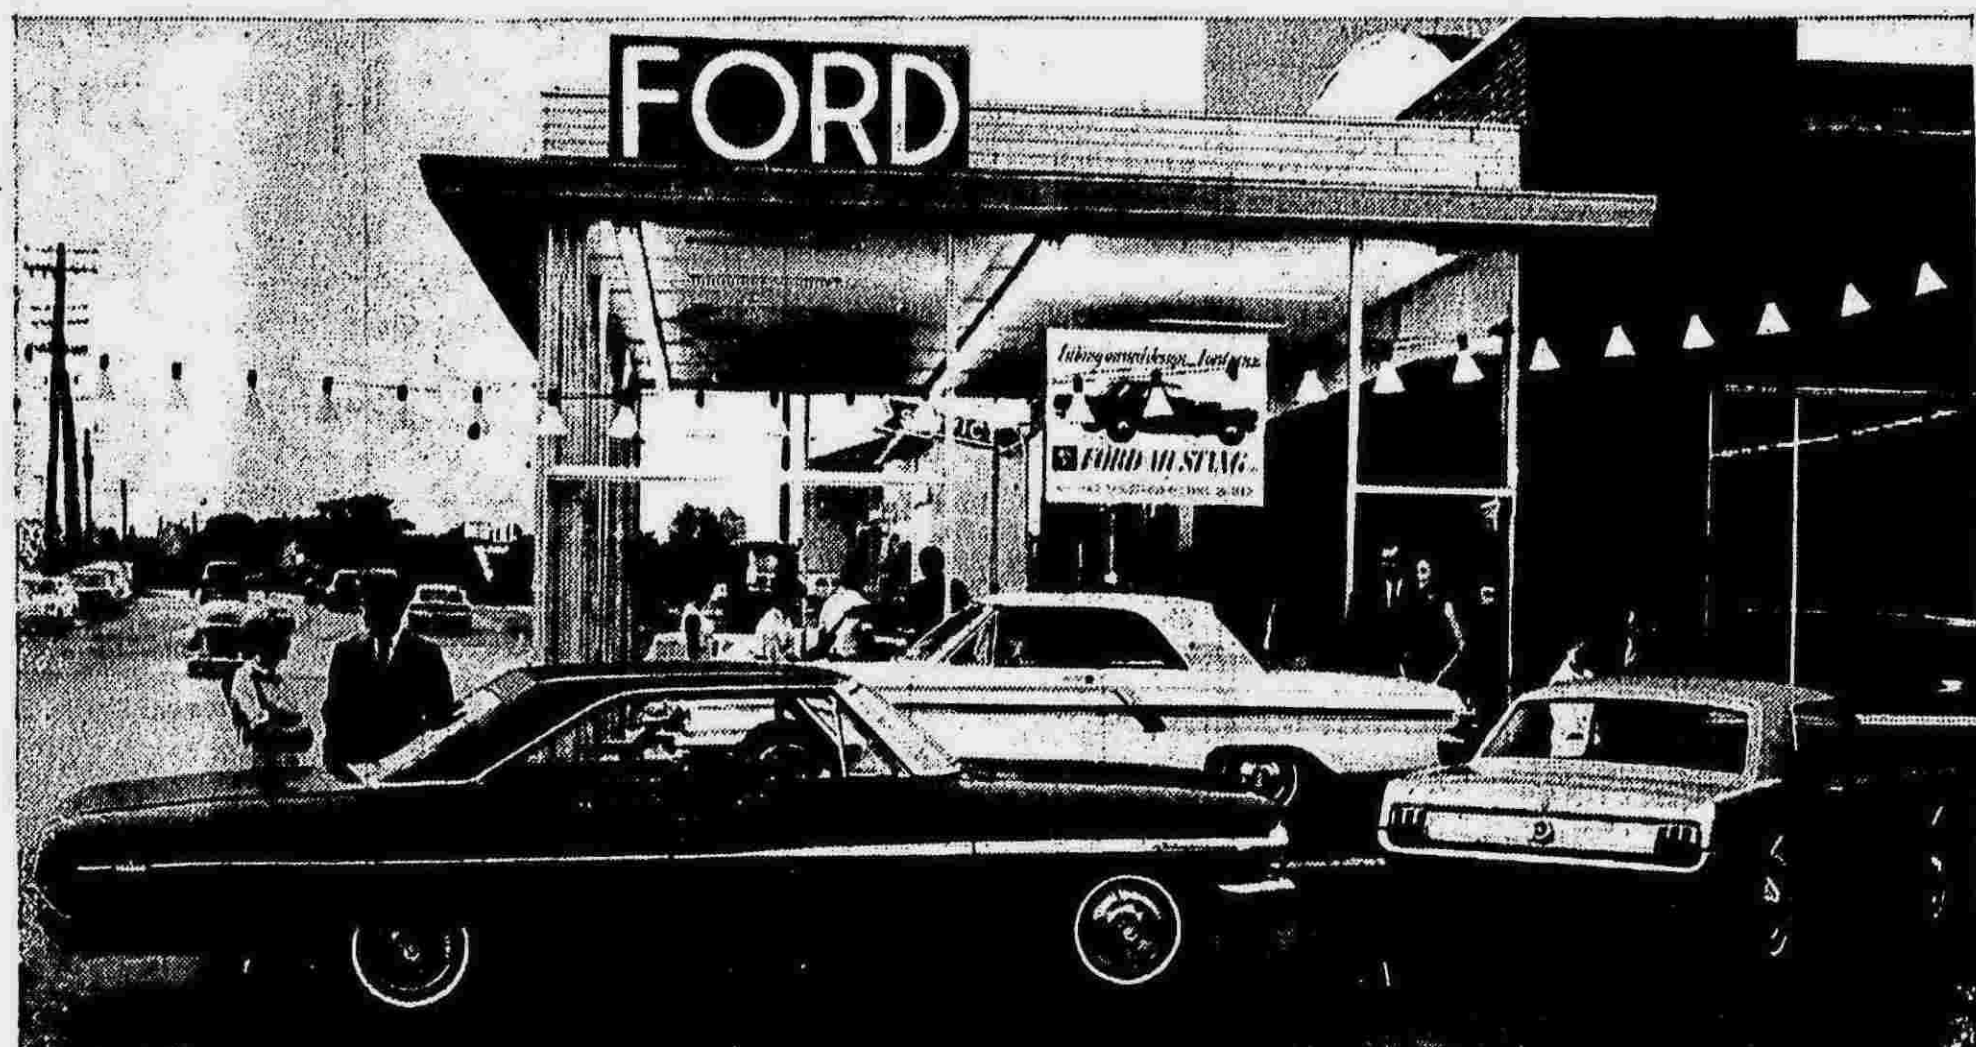

Mr. Henry Brandon, Chicago, Ill.—"My 7-60 convertible really has to be one of the great cars of all time. The amazing thing is this car's ease of operation. Everything is so effortless and luxurious; it's built well; it's strong and it's safe."

Mrs. Jewel E. Russell, Chicago, Ill.—"We like everything about our new Fairlane. We take a lot of trips to Wisconsin and this car rides very smoothly over all kinds of roads. We have owned all types of cars in the past 30 years and we have always had a Ford as a company car. This is why we switched from Studebaker."

STAMPEDE! NOW GOING ON AT YOUR FORD DEALER'S!

Proof: Here's exhibit A—the Solid, Silent Super Torque Ford Hardtops. Sales are so high we've had to double production in our Chicago plant! Exhibit B—Fairlane! The most popular car in the middle-size class, Fairlane gives you family-size room and sports-car feel. Exhibit C is Falcon—the completely restyled compact that's high on economy and low in price as only a Falcon

can be. In Chicago, Falcon is selling almost as much as Valiant and Chevy II combined! Exhibit D—Mustang, the hot new car that made the switch to Ford an all-out stampede! If all this doesn't convince you, a visit to your Ford Dealer will. Stop by and test-drive one of the lively new stampede-starters from Ford today.

Salvation Army Camp Holds Workshops

Workshops are being held at the Salvation Army's Camp Wonderland, six miles north-west of Antioch, from June 23-28.

About 250 Home League local officers from Salvation Army Corps in the Midwest will be official delegates to the Institute.

Theme of the conference is "Dimensions of a Woman's World."

Lindenhurst News

By Mrs. Bernice Benau
Editor 6-5449

Attending Training School
Rev. Harold I. Nelson, pastor of St. Mark Lutheran Church in Lindenhurst, left Sunday for Dubuque, Iowa, where he is presenting studies daily for one week, at the Lutheran League Training School at Wartburg Theological Seminary.

Two representatives from each congregation in Northern Illinois are attending. Tom Randall, son of Mr. and Mrs. Robert Randall, 2113 E. Burr Oak Lane and Mark Nelson, son of Pastor and Mrs. Nelson, 1907 E. Burr Oak Lane are representing St. Mark.

Teaching in Sweden

Monday, June 15, Miss Solveig Nelson, daughter of Rev. and Mrs. Harold I. Nelson, Lindenhurst and Miss Lois Gangstead of Waldorf College, Forest City, Iowa, flew to Sweden, where they will be working for the young people's department of the Church of Sweden, traveling throughout the young people's summer camps, explaining the way the youth work is conducted in the youth camps of America. Both young ladies served as counselors in Bible camps in America last summer. Under the direction of the executive director of the Lutheran Youth Movement in Sweden, the young ladies were invited to tour Sweden for six weeks.

At the end of the tour, Miss Nelson will visit relatives of her mother in Stavanger, Norway, for one week. She will be returning to St. Olaf College in the fall. Miss Nelson is a 1963 graduate of Antioch High School.

Doing Research Work

Paul Nelson, son of Rev. and Mrs. Harold I. Nelson, left last Saturday to work in Detroit, Mich., for the summer, with six other boys.

In their spare time they will do research work on the changing character of the inner city work of the church. The American Lutheran Church, through its youth officers in Minneapolis, have outlined a variety of approaches which may be used by these young men in their research efforts.

Paul has just completed his junior year at St. Olaf College, where he is a pre-theological student. He is a graduate of Antioch High School.

Florida Vacation

Bob and Louise Lofton and their daughter, Barbara, have just returned from Florida, where they visited Louise's mother, Mrs. Fred Huston in Lake Worth and her brother, Jimmy Stratton and his family in West Palm Beach. On the way down there they picked up Bob's mother's Mrs. Effie Lofton, in Miami, Ill.

Annual Outing
The Wednesday Night Canasta Club had dinner at Ray Radigan's in Kenosha last Tuesday evening.

Achievement Night

Thursday night, June 25, is Achievement Night for the Lindenhurst Daisies 4-H club. The public is invited to attend, especially young girls and their mothers, who may be interested in joining next season. The program will start at 7:30 sharp.

Record Day was held Monday, with a picnic at Mrs. Westberg's home.

St. Mark Lutheran

A coffee hour was held Sunday morning after the 10:30 worship services to welcome the following new members into St. Mark Lutheran Church: Mr. and Mrs. John Dallman, Mr. and Mrs. Martin Hood, Mr. and Mrs. Olaf Mathisen, Mr. and Mrs. Arthur A. Nelson, Douglas and Lori Ann; Mr. and Mrs. William Shotts and Maxine; Miss Janet Schneider and Miss Grace Wolfe.

The Luther League program and social will be Sunday, June 28 at 7 p.m.

Flowers for the church last Sunday were given by Mr. Albert Noren, on what would have been their 45th wedding anniversary; Mr. and Mrs. William Shotts on their 17th anniversary; and Mr. and Mrs. Lawrence Herbert on their 6th anniversary. Ladies who would like to help sew the new draperies, are asked to contact Mrs. Edwin Erber at El. 6-5043, to let her know when you can help get them sewed.

Success is relative. The more success the more relatives.—Echo, Texas Department of Corrections.

SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

BE SAFE ON THE 'FOURTH'

Will the Fourth of July leave you with pleasant memories of a holiday well spent—unmarked by accidents and injuries to you and your loved ones? The answer depends on you.

Children love the loud cracking and sputtering of fireworks, and many parents—even through illegal purchase—will place these unpredictable and dangerous gadgets in the hands of their youngsters. Regret and grief do not compensate for the loss of eyes or fingers, severe burns or loss of life.

It is difficult for a child to heed a parent's warning to be careful when natural curiosity is to explore the firecracker that lies silent on the ground. Nor is it possible for the child to understand that the pretty sparkler will do anything more than be beautiful in its dancing lights while clutched in a hand.

Plan for a safe and sane Independence Day celebration. Most every neighborhood arranges a public display of gayly colored lights and fireworks, outings and public entertainments. Take your child to one of these and let him enjoy to the utmost the beauty and excitement.

If an automobile trip is desired, lay out a schedule that requires no high speed driving to get there and back within the time limit available.

Unfortunately, many people have the idea they are the only good drivers on the road and are thus inclined to become careless. They will take chances which lead to accidents. This is true especially in the hours when the roads are crowded with travelers going away from home or returning, when a slow pace often becomes irksome. Above all else, don't mix gasoline and alcohol.

If the day is being spent on or near a lake or stream, precautions should be taken to prevent a tragedy. Even the best swimmers should not get too far away from possible help if they should tire or get a cramp. Obviously, the inexperienced swimmer should not get beyond his depth. Don't overload a boat or move about in one. Check local boating regulations, designed for the safe operation of boats.

On a trip to the woods, be on the lookout for poisonous weeds. These can spoil an otherwise pleasant holiday. Likewise, be careful of overexposure to the sun.

Adherence to these and other simple rules of conduct—including consideration of the other fellow—will help make the "Fourth" a day of happy memories. Happy Holiday to everyone!

SPECIFICATIONS

Madge — "Why don't you get married?"

Marge — I can't find the right man. He has to be smart enough to make a lot of money, but stupid enough to give most of it to me."

Channel Lake News

By Louise Gutewski
395-1317

Mrs. Ann Bartley has been hospitalized in Elkhorn, Wis., since last week following a serious automobile accident. Mrs. Bartley will be in the hospital for some time and anyone wishing to send cards and letters may do so by sending them to Mrs. Bartley in care of Lakeland Hospital, Elkhorn, Wis.

The Channel Lake Community Club will sponsor a Hayride and Box Social Saturday, June 27. The couples are to meet at the Channel Lake School at 8:30 p.m. and ladies, be sure to bring a decorated box luncheon. The luncheon will be auctioned off after the hayride, to the highest bidder. The lucky man will then have a lunch with the lady who prepared it. The auction amount will be limited and everyone is sure to have a good time. Be sure to be there and bring your friends.

Mrs. Julie Portalski returned home Monday, after being in Victory Memorial Hospital for five days.

Jean Kaleth will spend a month as the guest of Wendy Eberman and her parents, Mr. and Mrs. Elmer Eberman. The Kaleth family are former residents of Channel Lake and Mrs. Kaleth formerly taught in the Channel Lake School system.

Ricky Roberts made the honor roll at the last 6-week marking period at Channel Lake School. And if you wonder why we single Ricky out for attention, it's because

Every month

more and more people are moving up to total electric living

The reason? Simple. Electricity is so easy to live with.

With flameless electric heat, for example, each room can have its own thermostat. You can enjoy 80° in the bath, 72° in the living room and 65° in the bedroom. There's no burning fuel, nothing

to make dirt... walls and furniture stay clean far longer. Come summer, electric air conditioning wrings heat and humidity from the air along with most of the annoying pollens.

Electric cooking takes the flame out of the kitchen. People stay cooler, and pans, walls and curtains stay cleaner. And, because

electric heat is controlled heat, it takes the guesswork out of cooking. Foods cooked in an electric oven have a done-to-a-turn flavor that only radiant heat and insulation on all six sides can provide.

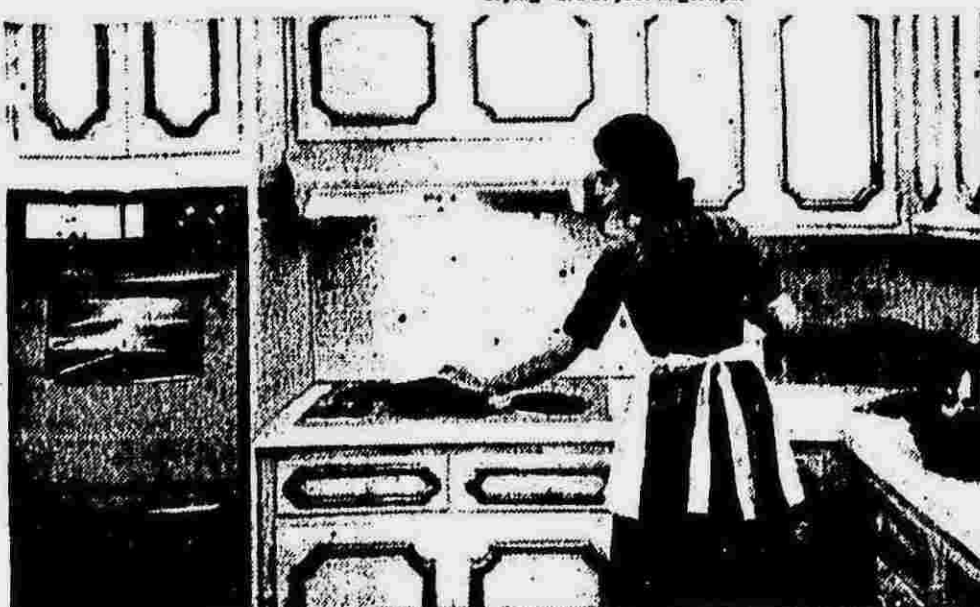

Electrically dried clothes come out sweet and fresh because there's no burning fuel to cause an odor. With no pilot light, power ignition or extra cost for tumbler drive, the average family's drying bill comes to only \$1.25 a month.* And an electric dryer costs \$20 to \$40 less to buy.

See how easy it can be to move up to total electric living at your house. Call us for details, today.

*Based on the actual use of a cross section of Northern Illinois families.

Public Service Company
© Commonwealth Edison Company

You stay cool, calm and collected with flameless electricity. Precise, automatically controlled cooking, washing and drying—are at your fingertips.

This little lady—and every member of the family—will delight in the comfort that's hers with room-by-room electric heat control.

HOSPITAL NEWS

By Del Jahnke

Henry Sreh, 418 Maplewood Drive, Antioch, is in Victory Memorial Hospital for spinal surgery, as the result of an injury he suffered at work last January.

Mr. Sreh's back was injured when he fell down an elevator shaft at Fansteel Metallurgical Co. last winter. His injuries forced him to

re-enter the hospital on June 1.

He would deeply appreciate hearing from his many

Legal Notice

LEGAL NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIV-
EN that a petition was filed
with the undersigned, W. C.
PETTY, Ex-officio Secretary
of the County Board of
School Trustees of Lake
County, Illinois, on April 6,
1964 praying that the terri-
tory known as Hickory Ele-
mentary School District No.
27 be annexed to Antioch
Community Consolidated
School District No. 34, both
in Lake County, Illinois.

NOTICE IS HEREBY FUR-
THER GIVEN that a hearing
will be held upon said peti-
tion on Monday evening, July
6, 1964 at 8 p.m., Daylight
Savings Time in the Circuit
Court Room, 3rd floor in the
Lake County Courthouse,
Waukegan, Illinois.

DATED This 25th day of
June, 1964.

S/ W. C. PETTY, Secretary
County Board of School
Trustees and County
Superintendent of Schools

— (52)

LEGAL NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIV-
EN by the Board of Educa-
tion of School District No. 35
in the County of Lake, State
of Illinois, that a tentative
budget for said School Dis-
trict for the fiscal year begin-
ning July 1, 1964, will be on
file and conveniently avail-
able to public inspection at
the Channel Lake School in
Antioch, Illinois, in this
school district from and after
9:00 o'clock A.M. on the 3rd
Day of July, 1964.

Notice is further hereby
given that a public hearing
on said budget will be held
at 7:00 o'clock P. M., on the
4th day of August, 1964, at
the Channel Lake School in
this School District No. 35.

Dated this 25th day of
June, 1964.

Board of Education of
School District No. 35 in the
County of Lake, State of
Illinois.
